SCHOOL COLORS

SCHOOL MASCOT

Eagle

VERBUM DEI ALMA MATER

Hail to Verbum Dei, the Word of God, everlasting and true;
We come to the Nest young and uncertain,
just as the morning sun that's just beginning to rise.
The Eagle stands before you wearing your colors: noble gold and blue;
With love strengthened by unity,
we'll fight for the rights of all, faith, and liberty;
We leave you, accepting your challenge:
"Be strong my sons of Verbum Dei, to face and serve your world."
Sing hail to Verbum Dei, the Word of God, everlasting and true.

VERBUM DEI PLEDGE

I pledge allegiance to the Brotherhood of Verbum Dei High School. With my actions and words, witness to all *the Eagle* represents.

I soar high to excellence with my faith, honor, values, principles, goals, total effort, and standards, in every area of my life. I command respect and embody self-pride and dignity in my dress, speech, and conduct.

In all these things, we are more than victorious through him who loved us. For I am convinced that neither death nor life, neither angels nor principalities, neither present things nor future things, nor powers, neither height nor depth, nor any other creation will be able to separate us from the love of God that comes to us in Christ Jesus, our Lord, our Verbum Dei. [Romans 8:37-38]

IGNATIAN PRAYERS

THE EXAMEN OF CONSCIOUSNESS

(BASED UPON THE SPIRITUAL EXERCISES OF ST. IGNATIUS)

1. God, I believe that at this moment I am in your presence and you love me.
2. God, you know my needs better than I know them. Give me your light and help as I review this day.
3. God, help me now to review the events of this day in order to recognize your blessings and my shortcomings.
4. God, I ask your forgiveness for my failings and I thank you for all your blessings.
5. As I look forward to the remainder of this day (or tomorrow) make me aware that you are with me, show me how to become the person you want me to be.

TAKE, LORD, AND RECEIVE (ST. IGNATIUS OF LOYOLA)

Take, Lord, and receive all my liberty, my memory, my understanding,
and my entire will.

All I have and call my own.

Whatever I have or hold, you have given me.

I return it all to you and surrender it wholly to be governed by your will.

Give me only your love and your grace and I am rich enough and ask for nothing more.

ANIMA CHRISTI (ST. IGNATIUS OF LOYOLA)

Soul of Christ, sanctify me

Body of Christ, save me

Water from the side of Christ, wash me

Passion of Christ, strengthen me

Good Jesus, hear me

Within the wounds, shelter me

from turning away, keep me

From the evil one, protect me

At the hour of my death, call me

Into your presence, lead me

to praise you with all your saints

Forever and ever

Amen

PRAYER FOR GENEROSITY (ST. IGNATIUS OF LOYOLA)

Lord, teach me to be generous.

Teach me to serve you as you deserve;

to give and not to count the cost,

to fight and not to heed the wounds,

to toil and not to seek for rest,

to labor and not to ask for reward,

save that of knowing that I do your will.

ST. IGNATIUS, FOUNDER OF THE JESUITS

Early Life of St. Ignatius

Inigo de Loyola was born in 1491 in Azpeitia in the Basque province of Guipuzcoa in northern Spain. He was the youngest of thirteen children. At the age of sixteen years he was sent to serve as a page to Juan Velazquez, the treasurer of the kingdom of Castile. As a member of the Velazquez household, he was frequently at court and developed a taste for all it presented, especially the ladies. He was much addicted to gambling, very contentious, and not above engaging in swordplay on occasion. For a number of years he went about in the dress of a fighting man, wearing a coat of mail and breastplate, and carrying a sword and other sorts of arms.

Eventually he found himself at the age of 30 in May of 1521 as an officer defending the fortress of the town of Pamplona against the French, who claimed the territory as their own against Spain. The Spaniards were terribly outnumbered and the commander of the Spanish forces wanted to surrender, but Ignatius convinced him to fight on for the honor of Spain, if not for victory. During the battle a cannon ball struck Ignatius, wounding one leg and breaking the other. Because they admired his courage, the French soldiers carried him back to recuperate at his home, the castle of Loyola, rather than to prison.

His leg was set but did not heal, so it was necessary to break it again and reset it, all without anesthesia. Although he was told to prepare for death, on the feast of Saints Peter and Paul (June 29) he took an unexpected turn for the better. The leg healed, but he was left with one leg shorter than the other. For the rest of his life he walked with a limp.

Conversion of St. Ignatius

During the long weeks of his recuperation, he was extremely bored and asked for some romance novels to pass the time. Luckily there were none in the castle of Loyola, but there was a copy of the life of Christ and a book on the saints. Desperate, Ignatius began to read them. The more he read, the more he considered the exploits of the saints worth imitating. However, at the same time, he continued to have daydreams of fame and glory, along with fantasies of winning the love of a certain noble lady of the court. The identity of this lady has never been discovered but she seems to have been of royal blood. He noticed, however, that after reading and thinking of the saints and Christ he was at peace and satisfied. Yet when he finished his long daydreams of his noble lady, he would feel restless and unsatisfied. Not only was this experience the beginning of his conversion, it was also the beginning of spiritual discernment, or discernment of spirits, which is associated with Ignatius and described in his *Spiritual Exercises*.

The *Exercises* recognize that not only the intellect but also the emotions and feelings can help us to come to knowledge of the action of the Spirit in our lives. Eventually, completely converted from his old desires and plans of romance and worldly conquests, and recovered from his wounds enough to travel, he left the castle in March of 1522.

He had decided that he wanted to go to Jerusalem to live where our Lord had spent his life on earth. As a first step he began his journey to Barcelona. He first proceeded to the Benedictine shrine of Our Lady of Montserrat, made a general confession, and knelt all night in vigil before Our Lady's altar, following the rites of chivalry. He left his sword and knife at the altar, went out and gave away all his fine clothes to a poor man, and dressed himself in rough clothes with sandals and a staff.

The Experience of Manresa

He continued towards Barcelona but stopped along the river Cardoner at a town called Manresa. He stayed in a cave outside the town, intending to linger only a few days, but he remained for ten months. He spent hours each day in prayer and also worked in a hospice. It was while here that the ideas for what are now known as the *Spiritual Exercises* began to take shape. It was also on the banks of this river that he had a vision which is regarded as the most significant in his life. The vision was more of an enlightenment, about which he later said that he learned more on that one occasion than he did in the rest of his life. Ignatius never revealed exactly what the vision was, but it seems to have been an encounter with God as He really is so that all creation was seen in a new light and acquired a new meaning and relevance, and experience that enabled Ignatius to find God in all things. This grace, finding God in all things, is one of the central characteristics of Jesuit spirituality.

Ignatius himself never wrote in the rules of the Jesuits that there should be any fixed time for prayer. Actually, by finding God in all things, all times are times of prayer. He did not, of course, exclude formal prayer, but he differed from other founders regarding the imposition of definite times or duration of prayer. One of the reasons some opposed the formation of the Society of Jesus was that Ignatius proposed doing away with the chanting of the Divine Office in choir. This was a radical departure from custom, because until this time, every religious order was held to the recitation of the office in common. For Ignatius, such recitation meant that the type of activity envisioned for the Society would be hindered.

He finally arrived at Barcelona, took a boat to Italy, and ended up in Rome where he met Pope Adrian VI and requested permission to make a pilgrimage to the Holy Land. Once he arrived in the Holy Land he wanted to remain, but was told by the Franciscan superior who had authority over Catholics there that the situation was too dangerous. (At the time, the Turks

were the rulers of the Holy Land.) The superior ordered Ignatius to leave. He refused, but when threatened with excommunication, he obediently departed.

The Return to School

By now he was 33 years old and determined to study for the priesthood. However, he was ignorant of Latin, a necessary preliminary to university studies in those days. So he started back to school studying Latin grammar with young boys in a school in Barcelona. After two years he moved on to the University of Alcalá. There his zeal got him in trouble, a problem that continued throughout his life. He would gather students and adults to explain the Gospels to them and teach them how to pray. His efforts attracted the attention of the Inquisition and he was thrown into jail for 42 days. When he was released he was told to avoid teaching others. (In the eyes of Inquisitors, anyone who was teaching and was not ordained was suspect.)

Because he could not live without helping souls, Ignatius moved on to the University of Salamanca. There, within two weeks, the Dominicans had thrown him back into prison again. Though they could find no heresy in what he taught, he was told that he could only teach children and then only simple religious truths. Once more he took to the road, this time for Paris.

At the University of Paris he began school again, studying Latin grammar and literature, philosophy, and theology. It was also in Paris that he began sharing a room with Francis Xavier and Peter Faber. He greatly influenced a few other fellow students directing them all at one time or another in what we now call the *Spiritual Exercises*. Eventually six of them plus Ignatius decided to take vows of chastity and poverty and to go to the Holy Land. If going to the Holy Land became impossible, they would go to Rome and place themselves at the disposal of the Pope for whatever he would want them to do. They did not think of doing this as a religious order or congregation, but as individual priests. For a year they waited, however no ship was able to take them to the Holy Land because of the conflict between the Christians and Muslims. It was during this time of waiting that Ignatius was ordained a priest, but he did not say Mass for another year. It is thought that he wanted to say his first Mass in Jerusalem in the land where Jesus himself had lived.

The Company of Jesus

Ignatius, along with two of his companions, Peter Faber and James Lainez, decided to go to Rome and place themselves at the disposal of the Pope. It was a few miles outside of the city that Ignatius had the second most significant of his mystical experiences. At a chapel at La Storta where they had stopped to pray, God the Father told Ignatius, "I will be favorable to you in Rome" and that he would place him (Ignatius) with His Son. Ignatius did not know what this experience meant, for it could mean persecution as well as success since Jesus experienced both.

When they met with the Pope, he very happily put them to work teaching scripture and theology and preaching. It was here on Christmas morning, 1538, that Ignatius celebrated his first Mass at the church of St. Mary Major in the Chapel of the Manger. It was thought this chapel had the actual manger of Bethlehem, so, if Ignatius was not going to be able to say his first Mass at Jesus' birthplace in the Holy Land, then this would be the best substitute.

During the Lent of 1539, Ignatius asked all of his companions to come to Rome to discuss their future. They had never thought of founding a religious order, but now that going to Jerusalem was out, they had to think about their future--whether they would spend it together. After many weeks of prayer and discussion, they decided to form a community, with the Pope's approval, in which they would vow obedience to a superior general who would hold office for life. They would place themselves at the disposal of the Holy Father to travel wherever he should wish to send them for whatever duties. A vow to this effect was added to the ordinary vows of poverty, chastity and obedience. Formal approval of this new order was given by Pope Paul III the following year on September 27, 1540. Since they had referred to themselves as the Company of Jesus (in Latin *Societas Jesu*), in English their order became known as the Society of Jesus. Ignatius was elected on the first ballot of the group to be the superior, but he begged them to reconsider, pray and vote again a few days later. The second ballot came out as the first, unanimous for Ignatius, except for his own vote. He was still reluctant to accept, but his Franciscan confessor told him it was God's will, so he acquiesced. On the Friday of Easter week, April 22, 1541, at the Church of St. Paul Outside-the-Walls, the friends pronounced their vows in the newly formed Order.

Profile of the Verbum Dei Graduate at Graduation

In one sense, the graduate is a threshold person: he is on the threshold of adulthood. The world of childhood has been left behind. The movement from childhood toward adulthood has involved physical, emotional and mental development which has brought out strengths, abilities, and characteristics which adults and peers began to appreciate. The adolescent during those four or five years prior to graduation began to realize that he could do some things well and some things very well. There have also been failures and disappointments. Even these, however, have helped the student to move toward maturity.

For descriptors, we chose those qualities which seem most desirable not only for this threshold period, but those which seem most desirable for adult life. These six general categories sum up the many areas of life most in accord with a full adult living of the Christ life. These characteristics are: Open to Growth, Intellectually Motivated, Spiritual, Loving, Committed to Doing Justice, and Work Experienced.

OPEN TO GROWTH

The Verbum Dei graduate is open to growth. He is inquisitive, remains engaged, and is developing a habit of planning and reflecting on life's experiences.

INTELLECTUALLY MOTIVATED

The Verbum Dei graduate is intellectually motivated. He pursues opportunities to expand his intellect and utilizes his talents/gifts to bettering the world and those around him.

SPIRITUAL

The Verbum Dei graduate is spiritual. He, in active discernment, recognizes God's love for him and shares that with others.

LOVING

The Verbum Dei graduate is loving. He, in active discernment, recognizes God's love for him and shares that with others.

COMMITTED TO DOING JUSTICE

Through the Corporate Work Study Program, the graduate has learned the importance of being a dependable and responsible worker while displaying a positive work ethic. he participates in a professional environment demonstrating effective communication, time management, task performance and decorum.

TUITION AND FINANCIAL INFORMATION

Verbum Dei High School provides an affordable means of education for deserving young people and their families. By attending Verbum Dei, students automatically receive a sizable amount of financial assistance. The following is an illustration of the approximate cost of educating a student at Verbum Dei High School:

TUITION AND FEES:

<u>FEE:</u>	<u>AMOUNT:</u>
Tuition	\$2700/ year
Registration Fee	\$230
Book Rental Fee	\$50
Summer School Fee	\$215 per class
Graduation Fee	\$100
Athletics Fee	Varies per sport

\$15,030.00 **Cost to Educate each Student**

- \$7,000.00	Tuition: Required Student Contribution – CWSP Participation
- \$2,980.00	<u>Tuition: Direct Family Contribution – Tuition and Fees</u>
= \$5,050.00	Amount raised by Mission Advancement/School.

The estimated cost of education for the 2015-2016 school year is approximately \$15,030 per student. Families contribute only \$2,980.00 of the total cost. Our innovative Corporate Work Study Program and the fundraising efforts of our Development Office enable us to provide a very competitive education at a fraction of the total cost.

All students and their families are required to maintain a current account balance for all tuition and fees. In rare cases and under extenuating circumstances, flexible payment plans may be created with the Finance Office at Verbum Dei. Once a payment plan is created, the student and parents/guardians must sign a contract verifying participation in the plan.

Book Rental

Students are responsible for the books issued to them for each course. Students must return the book they were issued or pay for its replacement. Parents/guardians will be billed at the end of each semester for lost books. Severely damaged books will also need to be billed for and replaced. Failure to pay for lost or damaged books will result in ineligibility for that student until the bill is paid.

Summer School

Summer school fees must be paid in full on the first day of Summer School unless prior arrangements have been made through the Finance Office. Summer School grades will not be posted until summer school fees have been paid in full. All fees must be paid by graduation or the student will not be able to participate in commencement.

PENALTIES FOR DELINQUENT ACCOUNTS INCLUDE:

Any student with a delinquent account will be ineligible to participate in athletics, clubs, or other activities.

Any student with a delinquent account will not be permitted to take semester exams or receive grades or transcripts until the account is made current.

Delinquent account holders also may not attend dances, play a sport, or other extra-curricular functions.

Seniors with delinquent accounts will not be permitted to participate in senior activities or attend graduation and will not receive their diplomas until accounts are paid.

Verbum Dei reserves the right to withhold any and all services if tuition payments are not current or if families have not made a reasonable attempt to make a payment plan with the Finance office.

Verbum Dei Tuition Assistance

Parents requesting tuition assistance should contact the Finance office as soon as possible.

Students receiving aid will be required to:

- 1. Maintain the desired GPA**
- 2. Complete additional Christian service hours (students)**
- 3. Write a thank you letter**
- 4. Complete parent service hours (parent)**

In addition, all students receiving assistance are required to stay on-track for graduation.

Questions regarding tuition assistance should be directed to the Registrar, at x6010.

CORPORATE WORK STUDY PROGRAM EARNINGS

When a student enrolls at Verbum Dei High school, he becomes an employee of the VDHS Work Study, Inc. (CWSP) and is assigned a Sponsoring Organization. By working five full days a month throughout the school year, each student generates a total of \$6,250.00 towards his education. Like any job, a day missed means that the student does not get paid. **Students will be charged \$150.00 for every missed day of work regardless of the reason.** Once an excused absence has been made up, the student is eligible to receive a full \$150.00 tuition credit if made-up before the end of the semester. See "CWSP Attendance" on the following pages for more details.

ADDITIONAL EXPECTATIONS

Verbum Dei High School exists because of money that students earn at their Corporate Work Study Program jobs, tuition paid by students and their parents, and money donated to us by friends of the school. People donate generously to Verbum Dei because they believe in our students. Therefore, we ask that students assist the school in the following ways:

1. Writing thank-you notes to our benefactors.
2. Greeting and answering questions from people who visit our school.
3. Attending fundraising and other events.
4. Remembering that they represent Verbum Dei High School on the job, at school, and in the community, and therefore must always act as responsible gentlemen.

The Salutatorian is to be the graduating senior who is runner-up in the Valedictorian selection process.

Academic Honors normally are conferred upon graduating seniors according to the following standards of excellence in scholastic achievement (Overall Cumulative GPA):

Summa Cum Laude	3.7-4.0
Magna Cum Laude	3.4-3.69
Cum Laude	3.0-3.39

ACADEMIC DEFICIENCIES AND MAKE-UP COURSES

If a D or F is earned for a semester grade, that grade must be remedied. If make-up classes extend into the Fall semester, a remediation plan will be designed by the school counselor. Students who have not fulfilled their remediation plan by the time specified will be subject to possible dismissal.

Summer School

It is preferred that remedied courses be taken at Verbum Dei during the summer. Students may take summer courses at other accredited educational institutions (public/private high schools, adult school, community colleges, and four-year colleges) *with prior approval from the Interim Principal or the Dean of Counseling and Student Affairs*. Only approved classes will be accepted. Summer school courses are paid for separately from the school year tuition at a rate of \$215 per course.

Commitment to Math Proficiency

A D or F in a Math course at the end of the second semester will require the student to retake the course the following year. Because it is required by the UC/CSU system to have a minimum of 3 years of Math, if a student fails two Math courses, they are subject to possible dismissal. All Verbum Dei students are required to fulfill the UC/CSU Math requirement prior to graduation.

Academic Probation and Ineligibility

Students are ineligible for all CIF athletics if they have a grade point average below 2.3 for any quarter/ semester grading period. The ineligibility list is communicated to all coaches, faculty, and moderators quarterly. A student remains ineligible until he achieves at least a 2.3 GPA the next quarter. It is at the discretion of coaches and moderators to determine whether or not a student will be allowed to participate in the activity once a student re-gains eligibility. Verbum Dei follows the guidelines as set forth by the California Interscholastic Federation (CIF) and the State of California.

Academic Dismissal

Students who earn an F grade in three or more subjects in one quarter or more than 4 F grades over the academic career are subject to possible dismissal from Verbum Dei High School.

HONORS AND ADVANCED PLACEMENT COURSES

The Verbum Dei Honors Program is designed to provide students with a more rigorous and college-level curriculum. These courses are designed to be more academically intensive and faster-paced. Honors courses give the student a weighted GPA for each honors class. Verbum Dei offers Honors courses in the following subject areas:

English II, III, IV	Economics
Geometry, Algebra II and Pre-Calculus	Biology
World History	Chemistry
US History	

Verbum Dei offers Advanced Placement (AP) courses in the following subject areas:

AP Government	AP U.S. History
AP Spanish Language	AP Calculus
AP Spanish Literature	AP English Literature

Recommended students are given the option to take the Honors or AP course when they make their course requests in the spring. All approvals for Honors/AP courses are tentative until final grades have been calculated. Honors/ AP students may be required to complete a summer work packet in preparation for the Honors/AP course. To qualify for an Honors or Advanced Placement course, a student must meet all of the following criteria:

- A recommendation from their current teacher in the field of study desired. Recommendations are based on grades, student participation in class, behavior and their enthusiasm for the subject matter.
- An overall GPA of 3.0, or permission from the Interim Principal.
- A grade of A in the previous course related to the Honors class.

*If an honors course request has been denied, the student may appeal to the Interim Principal who will make the final determination.

**Students taking AP courses must pay the AP exam fee. A deposit for the AP exam is due by the 2nd week of instruction.

*** Students may take no more than two Honors courses or one AP course unless given permission by the AP or Interim Principal. Talon club students can take no more than three Honor courses or 2 AP courses unless given permission by the AP or Principal.

Calculation of Grade Point Average (GPA)

- **Weighted (GPA) and Unweighted (UGPA) GPA** – Weighted GPA calculates the GPA with the added points from Honors and AP courses. The Unweighted GPA is calculated using the Standard Grade GPA and is used for determining eligibility, honors and general academic standing within the school.
- **Semester GPA** - includes all courses from the last complete Semester and the transcript.
- **Quarter GPA** – includes all courses from the last complete Quarter only. This is used for sports eligibility but does not appear on transcripts. It may be used to assist a determination for Honors and AP eligibility.

ACADEMIC RECORDS

WITHDRAWAL OF STUDENTS

To withdraw a student from Verbum Dei, the parent/guardian needs to fill out a withdrawal form in the Registrar's Office. A student who formally withdraws before the end of a semester will receive no credit for each course within that semester. The withdrawal grades will be forwarded to the student's new school at the request of the parent/guardian. A student who informally withdraws before the end of the semester will receive an "F" grade for each course in which the student is registered at the time of termination.

Transcripts

Transcripts are the official record of scholarship during a student's time at Verbum Dei. Only semester grades are entered on a student's transcript. The policy for transcripts is as follows:

- Transcripts are issued by the Counseling Office (current students) or Registrar/Finance Office (students who have checked out and alumni).
- Official transcripts are given in a sealed envelope.
- Transcripts and test scores will not be released to colleges or to scholarship programs unless a release form bearing the signature of the parent/guardian is in the student's file.
- Unofficial transcripts are available to parents/guardians upon request.
- Freshmen, Sophomores and Juniors will receive a copy of their transcript coinciding with the distribution of standardized test results and scheduling.

ACCESS TO STUDENT RECORDS

Access to student records may include not only an oral description by the authorized school official, but permission to read or take away a copy of the original record. Only the principal can authorize the release of personal information about pupils. Only the following persons may receive such information:

- Those so authorized in compliance with a court order;
- An officer of the United States, the state, the city, or the country seeking information in the course of duty;
- An officer of a guidance or welfare agency of which the pupil is a client

When the school releases student record information to any of the above persons, other than a parent or legal guardian, a reasonable effort is made to inform the parent or guardian of the release.

TRANSFER OF RECORDS

Whenever a student transfers from one state school district to another or to a private school, or transfers from a private school to a school district within the state, his permanent enrollment and scholastic record (or a copy) will be transferred by the former district or private school upon written request from the district or private school where the student intends to enroll (Education Code 49068). The requirement of Education Code 490611 is not applicable to the transfer of student records to colleges; it pertains to the K – 12 grade levels. Education Code 48904 allows a school to decline to give a student his report card and/or diploma or to refuse to send transcripts to a college or employer if there are outstanding financial obligations.

PERMANENT RECORDS

When a student transfers or graduates, the school retains the permanent record. Permanent record cards include the following information:

- Personal and family data with certification of name, place and date of birth of the student and the name and address of the parent or guardian having custody of the student;
- Test data;
- Transcript of courses;
- Record of withdrawal or graduation and place to which any copy of the record is sent;
- Verification of or exemption from required immunization.

ACADEMIC POLICIES

(in alphabetical order)

ACADEMIC AWARDS AND HONOR ROLL

Students are recognized for their academic achievements at the end of each grading period, the semester and at the end of the year. Recognition of academic excellence within a subject is recognized in an awards ceremony twice a year with a certificate.

Honors lists are posted after each grading period. These lists are:

Scholar's Circle	4.0
President's List	3.7-3.99
Principal's List	3.4-3.69
Dean's List	3.0-3.39

ADDING / DROPPING COURSES

Courses may be added or dropped only through the second Friday of the first semester of the academic year. It is expected that parents/guardians have read the syllabus for each class their son is taking and are aware of the course selections. After the first two weeks, class changes can only be made for extraordinary circumstances. All schedule changes must be done through the office of the Interim Principal.

ELIGIBILITY

Students are ineligible to participate in sports (including practices) if their GPA is below 2.3 at any quarter and semester grading period. Students may participate in other extra-curricular activities at the discretion of a moderator and the administration. Once a student regains a 2.3 at a subsequent grading period, it is still at the discretion of moderators and administration whether to allow the student to participate in extra-curricular activities or sports.

EXTRA CREDIT

Extra credit may be offered at the discretion of the teacher using the following guidelines:

- An extra credit assignment can only be offered as an attachment to a regular assignment and can only be accepted after the regular assignment is completed
- Extra credit may not be used to replace or make up for a regular assignment that was not done. It cannot be used to improve a grade at the end of a grading period.

FIELD TRIPS

All field trips are educational in nature and related to the curriculum and content of the course of study. Field trips are under the supervision of Verbum Dei faculty/staff. An Archdiocesan Field Trip Release Form is required for every student on every trip. School rules on conduct are enforced on all excursions and field trips. Students will be informed ahead of time whether or not the school dress code will be in effect.

GRADE REPORTING

Quarterly grades are mailed home. Parents of students not on track for graduation (earning a D or and F in any course) are encouraged to schedule conferences with their son's teachers. Parents will receive a Deficiency Notice at mid-quarter if a student has a D or F in the course. Deficiency Notices and quarterly Report Cards are sufficient notice of the student's academic standing in their courses. Parents can access Ren Web (*see: Ren Web section*) at any time to keep informed of student progress, assignments and grades. Grades are updated in Ren Web every two weeks. Therefore, parents are strongly encouraged to utilize Ren Web to monitor student progress. Should a parent/student have a concern regarding the student's academic standing in a course, the parent/student should contact the teacher directly and in a timely manner.

STUDENT PLANNERS

Verbum Dei High school students are provided a planner at the beginning of the year. These planners are provided to help the student organize, plan, and record assignments and course information. Students will be required to replace a lost or stolen planner. The cost of a replacement planner is \$6.

HOMEWORK

Successful completion of an academic course requires work beyond the classroom. Every Verbum Dei student is expected to complete homework for all classes. Parents/Guardians are a crucial part of the success of each student and, as such, are responsible to check Ren Web and the Verbum Dei High School Student Planner regularly for assignments.

HOMEWORK JUG

Homework JUGs are written when a student fails to turn in an assignment. The student must complete the missing assignment before leaving school on the day the Homework JUG was issued. Homework JUG assignments generally receive no credit. If a freshmen or sophomore receive 15 Homework JUGs in a single quarter, that student will be ineligible for any student activities. If a junior or senior receive 10 Homework JUGs in a single quarter, that student will be ineligible for any student activities or senior privileges.

LATE WORK

Late work is accepted by the discretion of the teacher, within the following parameters:

- No late work is accepted after 5 days.
- No late work is accepted for full value.
- No assignment can be given to 'replace' the late work (see *Extra Credit*)
- A teacher may shorten the time allowed for late work or choose to not accept late work at all.
- The late work policy must be stated on the syllabus for the course.

NCAA ATHLETICS

Students athletes who wish to play collegiate athletics must register with NCAA Eligibility Center and should proactively pursue knowledge and understanding of eligibility. For student-athlete eligibility information visit: www.eligibilitycenter.org

INTERIM/ SEMESTER ASSESSMENTS

Interim Assessments and Semester Assessments are an important way for students to demonstrate their knowledge of the material. Interim Assessments occur around mid-quarter. Semester assessments are comprehensive and occur at the conclusion of quarters 2 and 4. Standardized assessments from the Cristo Rey Network are cumulative for the entire course. Final exams may not exceed 20% of the total grade.

TESTING

Students in 9th, 10th and 11th grade will participate in standardized testing to help prepare for college. In October, the 9th and 10th graders will take the ACT's ASPIRE and the 11th graders will take the College Board's PSAT. For further information about these tests, or the SAT and ACT, please contact the counseling office.

THEOLOGY CLASS GRADING

Students are to be graded on academic achievement and not on their religious affiliation, personal belief or the practice of their faith. Theology grades indicate comprehension of subject matter and course participation and are not an evaluation of personal holiness, morality or religious practice. The Theology grade includes participation in Christian Service.

TUTORING

If a student requires private tutoring or parents wish to have a student tutored in school subjects, the parents are responsible for engaging the tutor and paying all tutoring costs. The school may assist the parents in identifying tutoring resources. Teachers may not be paid for tutoring students assigned to their classes.

ACADEMIC INTEGRITY

(ADAPTED FROM BISHOP ALEMANY HIGH SCHOOL HANDBOOK)

WHAT IS PLAGIARISM?

Plagiarism, as defined in the 1995 Random House Compact Unabridged Dictionary, is the "use or close imitation of the language and thoughts of another author and the representation of them as one's own original work".

<http://en.wikipedia.org/wiki/Plagiarism>

Academic integrity means producing original work on papers, projects, exams and homework. Even a partial sentence, copied and slightly modified, is plagiarism. A hallmark of Verbum Dei High School is academic excellence, which is achieved only when a student produces quality work of his own merit.

Therefore students must not:

- copy work from another student or assist another student with copying
- cheat on an exam or quiz
- aid other students during an exam without expressed permission from the teacher
- use any unauthorized aid on exams or assignments
- use, purchase, or plagiarize the work of any other person with or without the expressed permission of the owner of the work

Students who are caught cheating (e.g., plagiarizing a paper, copying homework, or cheating on a quiz or exam) or are involved in academic dishonesty or forgery will be referred to the Assistant Principal.

If a student violates the Verbum Dei code of academic integrity, the following procedures apply:

- 1) First offense, the student will receive a zero on the assignment or exam. Students will receive a detention. An Administrator or teacher will notify the parent(s) or guardian(s) about the incident. (3 demerits)
- 2) Second offense, the student will receive a zero on the assignment or exam. The student will have a one day in-school suspension and a detention. The student and parent(s) or guardian(s) will be required to meet with an Administrator. (10 demerits)
- 3) Third offense, the student will receive a zero on the assignment or exam and will face the Discipline Review Board for possible dismissal from Verbum Dei. (20 demerits)

A Verbum Dei student may not earn more than three issues of Academic Integrity during his four years at Verbum Dei High School.

STUDENT SUCCESS SERVICES

COUNSELING

At VDHS students have access to counselors who provide academic guidance, college and career planning, and personal support. The goal of the Counseling Department is to empower each talented student to examine his full potential during the high school years and to set personal and academic goals that will lead to his future success. VDHS counselors support students by implementing a school counseling program in which students are encouraged and expected to become participants in their own academic, career, personal and social growth. The counseling program consists of monthly classroom lessons for grades 9th-11th where we discuss college requirements and the application process and weekly workshops for seniors where they apply for college and financial aid with the detailed guidance and support of the counselors. Additional direct and indirect services include personal counseling, group counseling, individual student planning, crisis counseling, and referrals to community resources. The counselors are also available to support and work with parents to ensure the academic and personal success of the students.

STUDENT SUCCESS TEAMS

Verbum Dei's Student Success Services Program is focused on increasing students success for all Verbum Dei eagles. A Student Success Team (SST) is formed for students struggling academically at Verbum Dei. During the student success team meetings a plan of action is determined for the student, their parent/guardian and all relevant stakeholders (teachers, counselors, administrators). The SST coordinator will then collaborate and create an individualized plan for the student to include classroom accommodations as well as other services (e.g. study sessions, tutoring, counseling, mentoring).

TEACHER OFFICE HOURS

Students must be proactive about their education. We expect our students to go to their teachers for academic matters; for example: if a student is struggling in a course, needs to discuss an assignment, did not understand the class lecture or content, or wants further information on a topic. Verbum Dei teachers are available to meet with students Monday (Long Monday's only) - Friday, 3-3:45pm. Students are welcome to seek the assistance of any Verbum Dei teacher during this time, regardless if they are the student's teacher for that semester.

TUTORING/STUDY HALL: STUDENT SUCCESS CENTER

The Student Success Center (The Center) is open after school and can be used for the following:

- Homework/Study Space: All students are welcome to use The Center after school to complete homework, meet for group projects, and for independent and group study
- Students enrolled in 7th period study hall: All students in this program are required to attend tutoring and gain academic support and study skills every day after school during 7th period
- Student Lounge: All students are welcome to use the lounge area to read and study in a quiet and comfortable space.
 - Homework/Study Cubicles: There are several individual study cubicles for quiet, focused study space.

Food and drinks are not allowed in The Center, however, students may bring in and consume bottled water. Snacks should be eaten outside the Center.

ATTENDANCE REGULATIONS AND PROCEDURES

Students are expected to make every reasonable effort to attend class. Parents and legal guardians are expected to avoid scheduling appointments, family vacations, college visits, etc. during school time. When students are absent from class for any reason, they are expected to take the initiative to meet with their teachers to arrange make-up work.

In addition, students who were absent for any reason must have a written explanation from a parent/guardian when they return to school. Use the following format:

- Student's name
- Date(s) of absence
- Reason(s) for absence
- Signature of parent / guardian
- Telephone number where parent/guardian can be reached during school hours.

When a student returns to school after an absence(s) he will need to take his note to the Main Office and get a re-admit slip. Students who are absent from school for verifiable medical or dental appointments must bring a statement from the doctor's office noting the time and length of the appointment. Parents are encouraged to schedule such appointments after the regular school day, and not on CWSP workdays. Failure to bring a written explanation will result in a lunch JUG.

To attend and/or participate in any after-school activity, a student must have attended the entire school day or obtain permission from the Interim Principal prior to the absence.

A student having an unexcused absence on any day a quiz or test is given or homework is due may receive a zero for that work. Further disciplinary actions may be enacted according to the circumstances.

Planned Absences/ Extended vacations must have prior approval of the Interim Principal. The student and their parent/guardian should communicate this in writing at least two weeks prior to the scheduled absence so assignments may be collected and/or assessments administered.

ABSENCE POLICY

- Students can miss not more than 10 hours of class time each semester. This includes absences for Verbum Dei sponsored events. After 5 absences, a letter will be mailed to the parent or legal guardian.
- After 8 absences, student will be required to attend Saturday JUG for every absence he acquires thereafter.
- When a student reaches 10 absences, no credit will be awarded for that semester.
- Exceptions may be made for a major illness, with documentation from the student's health provider.

TARDINESS

If a student is not seated in the classroom and ready to work at the second bell, the teacher is to send the student to the main office for a tardy slip and lunch JUG. All students who are late to school must report to the main office.

It is important that students are in class ready to begin their studies on time every day. Students and families should allow extra time each morning for traffic and other unforeseen delays. Tardiness due to over sleeping, missing a bus, or normal traffic is not excuse, and notes for these reasons will not be accepted. The Assistant Principal and associated staff reserve the right to determine whether any tardiness is excused or unexcused.

TARDY POLICIES

The following procedures for each semester are followed to avoid excessive tardiness (whether excused or unexcused), since this has a detrimental effect on academic achievement:

- Students are allowed a maximum of 10 tardies per semester.
- After 7 tardies, a letter will be mailed to parents or legal guardians
- When a student has been tardy 10 times, each successive tardy will be considered an absence. After 10 absences no credit will be awarded for the semester.
- A tardy of more than 20 minutes to any class will be considered an absence.

LATE ARRIVAL/ EARLY DISMISSAL

- Parents, legal guardians and students are requested to not miss class time for appointments or travel.
- Late arrival is defined as a student arriving any time after 8:00AM.
- Three early departures or late arrivals will be counted as one full absence.

TALON CLUB EARLY DISMISSAL

Talon club members are given the option of having a 2:25 pm dismissal. Parents must notify the main office the day that the student should be released at 2:25 pm. Talon Club members may not be released early on days in which we have liturgies, speakers, or special schedules.

TRUANCY

A student is considered truant if he is absent from class without expressed permission from an administrator or the current periods' teacher. A student who leaves campus during any part of the school day without appropriate permission by the school is also considered truant. A student who has been truant will receive 5 jugs for every period missed and/or a SAT detention.

EARLY RELEASE OF STUDENTS

Early dismissals are factored into your semester totals for absences. Parents and guardians are strongly discouraged from scheduling doctor appointments, personal business, and the like for students during school/work hours. Students may not leave the campus for any reason during school hours without written permission from their parents. No students will be permitted to leave school early for any reason without completing one of the following.

- Sign out a student by the parent/guardian in the front office.
- Written request submitted to the Interim Principal's office with the following information:
 - Student's name
 - Date for early dismissal
 - Reason for leaving
 - Signature of parent/guardian
 - Telephone number where parent/guardian can be reached during school hours.

Students will be released only to parent/guardian or their designees. Students will not be released to strangers.

DROP OFF AND PICK UP PROCEDURES

Students are to arrive to school daily no later than 7:30 AM. Students may enter at the front blue gate of the school or through the rear of the campus. The front blue gate entry is designated for students who walk to school or dropped off from the bus stop. The rear of the campus entry is designated for students who are dropped off via vehicle; the car will enter the driveway along 112th St. Elementary School and exit the driveway along the railroad tracks. This procedure is followed for both morning drop off and afternoon pick up. Students are not allowed to walk the driveway to enter or exit the campus.

Parents are strongly encouraged to pick up their students in the parking lot after school. The front gate is locked at 3:45pm daily.

CODE OF CONDUCT

JUG (JUSTICE UNDER GOD)

JUG operates within the framework of the school's commitment to provide moral guidance consistent with the teachings of the Catholic Church and in the Jesuit tradition. Verbum Dei's discipline approaches and practices encourage the growth of self-awareness and faith based moral character.

PHILOSOPHY OF DISCIPLINE AT VERBUM DEI

At Verbum Dei, discipline is used to help support students in being open to growth, intellectually motivated, spiritual, loving, and committed to doing justice, while on campus, in the corporate work setting, and throughout their life. Discipline operates within the framework of the school's commitment to provide moral guidance consistent with teachings of the Catholic Church. Verbum Dei's discipline approaches and practices encourage the growth of self-discipline based upon Christian values, promote personal development, work to provide a classroom environment conducive to learning, and strive to ensure a safe and secure campus for students, faculty, staff, and administrators. Discipline is most effective when there is a reasonable degree of acceptance of and cooperation with discipline on the part of students. When this is the situation, the emphasis in discipline falls on finding means to assist students in understanding the ways in which their choices and decisions result in consequences for themselves and others.

EXPECTED BEHAVIOR

In keeping with the basic philosophy of Verbum Dei High School, students are expected to conduct themselves courteously and respectfully at all times. The following are some of the expectations that Verbum Dei has of every student:

1. Be seated in classes and ready to study, which includes appropriate posture and attitude, when the bell rings.
2. Bring all required texts, supplies, and materials to class.
3. Adhere to all classroom rules.
4. Follow the directions of teachers and administrators at all times.
5. Do not speak or leave your seat during class unless the teacher gives you permission.
6. Do not bring food, drink, gum, etc., into classrooms.
7. Do not groom (combing hair, manicuring nails, etc.) in the classroom.
8. Assume proper posture and attitude at all time, with particular attention during prayer; including standing for Morning Prayer.
9. Listen carefully and attentively during announcements and make notations of announcements that concern you.
10. Respect other students by speaking to them respectfully and with encouraging words.
11. Respect your peers' personal space by keeping your hands to yourself, and refrain from using another student's books. Additionally, students should not go into another student's locker or touch their backpack.
12. Respect the school's property, facilities, and the property and possessions of others. Refrain from going into a teacher's desk, cabinet, mail box, or other private spaces without expressed specific permission from the teacher involved.
13. Knock at the door and wait for acknowledgement and permission from the teacher before entering a classroom. Receive permission from teachers before giving messages to other students during class time.
14. Utilize student planner and obtain initials from a teacher before leaving a classroom.
15. Be attentive, courteous, and respectful of all speakers at assemblies.
16. Treat all visitors to our campus courteously and respectfully.

CAMPUS BEAUTIFICATION

Verbum Dei is an oasis in the urban environment and we take pride in learning and working in a clean and aesthetically pleasing environment. Trash and leftover food is unsightly and detracts from the environment we seek to maintain on campus. As such, students will lose five minutes of their lunch period if during the morning break the campus is left messy by students; further, students will be penalized an additional five minutes after school if the campus is left messy by students during lunch.

OUTLINE OF ENFORCEMENT PROCEDURES

When a student fails to comply with the Code of Conduct, he is subject to consequences and demerits. Consequences include, but are not limited to: lunch JUG, Saturday JUG, suspension, probation, or expulsion, depending on the seriousness of the offense. A cumulative record of demerits will be tallied for each student, and students that earn an excessive number of demerits will face additional consequences.

1. Lunch JUG will be earned for minor infractions of the Code of Conduct.
2. Saturday JUG will be earned for more serious infractions of the Code of Conduct or not attending Lunch JUG.

3. Suspensions will be earned for serious infractions of the Code of Conduct. With every suspension a parent conference will need to be conducted before the student is allowed to return to class.
4. A student will be Expelled for the most serious violations and/or excessively defying the Code of Conduct.
5. ** Please note: Teachers may also retain students after school. Students who fail to attend this detention will earn an automatic Saturday JUG.

DEMERITS

For each infraction of the Code of Conduct students will earn a designated number of demerits. Minor infractions will earn student 1 or 2 demerits. Serious infractions can earn up to 60 demerits. When a student accumulates the following number of demerits the following actions will be taken.

20-30 Demerits – Student Success Team meeting with Assistant Principal (initial) and student is placed on behavioral contract (30 demerits).

45 Demerits- 1-3 day suspension, SST meeting (final)

60 Demerits- Student will go before the Discipline Review Board for dismissal from the school.

LUNCH JUG

Verbum Dei High School conducts lunch JUG during lunch every day, unless postponed by administration. It will begin promptly 5 minutes after lunch begins and will last for the duration of lunch. Students are welcome to bring their own lunch, as long as it does not cause them to be late. Late students will not be admitted, and they will be responsible for additional consequences. Generally, JUG is served on the class day following the infraction. **Students who miss lunch JUG on the day assigned will automatically earn a Saturday JUG.**

GROUNDS FOR LUNCH JUG

Students are liable to serve JUG for, but not limited to, any of the following infractions:

1. Being out of dress code for school or work. (1 demerit)
2. Not being seated in the classroom and ready to work by the second bell. (1 demerit)
3. Throwing anything inside a classroom. (2 demerits)
4. Not following classroom or transportation rules. (2 demerits)
5. Inappropriate language anywhere on or off campus. (1 demerit)
6. Lack of note from a parent excusing an absence. (1 demerit)

A serious conflict may result in expulsion.

DISCIPLINE REVIEW BOARD

Whenever a student's conduct makes him liable to be dismissed from school, the Deans will convoke the Discipline Review Board to review, discuss, and decide on a course of action to recommend to the Interim Principal, whose decision is final. In addition, the Deans may ask the Board to meet to advise her in certain other cases which may not involve grounds for dismissal. The Deans will inform the Interim Principal and President of an impending Review Board meeting.

The Discipline Review Board consists of five voting members: the Deans, a CWSP representative, two faculty members elected by the faculty, and one faculty member elected by the ASB Council. The faculty members elected by the Faculty serve two-year terms, and the faculty members elected by the students are elected each academic year.

After being informed by the Dean of an infraction or an accumulation of demerits which subjects the student to possible dismissal, the student involved will have **forty-eight (48) hours** to inform the Dean that he wishes to appear before the Discipline Review Board to present his case. **Failure to supply such a notice will result in the student's automatic dismissal from Verbum Dei High School.** The student's parents may submit a letter in support of the student to the Board on the day which the board convenes. The Dean is the chair of the Discipline Review Board. The Dean will present the facts of the case, including a recommendation for disciplinary action. The student will be present for as long as the Board needs his presence to discuss the case; he will not be present during the Board's deliberations.

The deliberation of the Discipline Review Board is essential to the process of determining a student's status when his conduct has made him liable to be dismissed from the school. Because of the nature of the discussions of the Discipline Review Board, those discussions are confidential. The Interim Principal has the responsibility to inform the President and the Faculty of his decisions. The decision will be subject to review by the President of Verbum Dei *only* upon presentation of previously unrevealed circumstances or evidence.

ANNUAL REVIEW OF STUDENTS

The annual review process regarding academics, ongoing disciplinary matters, or ongoing work issues begins in March. Parents/guardians of students who are of concern are notified in writing in April. Following second semester grades, students are evaluated according to their academic progress, disciplinary record, CWSP performance, attendance/tardy record, and parental commitment to the financial agreement. Notification of each student's standing is mailed in mid-June; parents/guardians of students who are dismissed also receive a phone call.

CODE OF CHRISTIAN CONDUCT COVERING STUDENTS AND PARENTS/GUARDIANS

The students' interest in receiving a quality, morally based education can be served if students, parents, and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their children.

It shall be an express condition of enrollment that the students and parents/guardians shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to any policies or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

- Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
- Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
- Any parent/guardian or other person whose conduct in a place where a school employee is required to be in the course of his/her duties materially disrupts class work or extracurricular activities or involves substantial disorder is guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee concerted activity, including but not limited to, picketing and the distribution of handbills.
- Any parent/guardian, or other person who insults or abuses the principal or any teacher in the presence of other school personnel, students or parents and at a place which is on school premises or public sidewalks, streets, or other public ways adjacent to school premises or at some other place if the principal or teacher is required to be at such other place in connection with assigned school activities, risks the continuation of their child in the school.
- These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without warning and/or without an intermediate step short of withdrawal.

DISRUPTION/ DISORDER BY PARENTS OR GUARDIANS

Any parent/guardian or other person who materially disrupts class work or extracurricular activities in a place where a school employee is required to be in the course of his/her duties may be guilty of a misdemeanor and risks the continuation of their child in the school. This statement does not apply to any otherwise lawful employee concerted activity, including but not limited to, picketing and the distribution of handbills. Any parent/guardian or other family member who insults or abuses any school personnel risks their child's continuation in the school.

Any parent/guardian, or other person who insults or abuses the principal or any teacher in the presence of other school personnel, students or parents and at a place which is on school premises or public sidewalks, streets, or other public ways adjacent to school premises or at some other place if the principal or teacher is required to be at such other place in connection with assigned school activities, risks the continuation of their child in the school.

RECOMMENDED TRANSFER RESULTING FROM PARENTAL ATTITUDE

Under normal circumstances a student is not to be deprived of a Catholic education on grounds relating to the actions/attitudes of parents; it is recognized, however, that a situation could arise in which the uncooperative or disruptive attitude of parent/guardians as described above might so diminish the effectiveness of the education process that continuation of the student in the school may be impossible.

In such a case, it is imperative that the opinion of the principal regarding the practical impossibility be sustained from a pastoral point of view by the pastor. The regulations governing recommended transfer would then be applicable.

Students must observe the "theme" of a particular modified day (i.e. College Sweatshirt Friday, blue/gold or sports). CHRISTIAN SERVICE PROGRAM

Mission Statement

Christian Service at Verbum Dei is for the spiritual formation of our students as persons with and for others. The service program is meant to support their growing in Gospel values by having them do direct service with marginalized people.

Christian Requirement

Verbum Dei requires all students to complete a minimum number of hours each quarter. The number of service hours a student completes can appear at the bottom of his transcript for by request. In addition, if a student does not complete his service hours each quarter, he will be placed on the ineligibility list. If a student does not complete the 1st semester hours before the 2nd semester begins, he will be suspended until hours are completed. Hours must be completed each year in order to progress to the next grade level. Extra service hours completed during each quarter will be credited toward future quarters in the same school year. However, service hours may not be carried from one school year to the next. Hours completed over the summer will be counted for the upcoming academic year unless a student completes the previous year in deficit of the required number of hours. Freshman and sophomore students need to complete 5 hours of service each quarter, for a total of 20 hours during the year. Junior and senior students need to complete 8 hours of service first and second quarters and 7 hours of service third and fourth quarters, for a total of 30 hours during the year.

Urban Compass

All students are encouraged to help with the Urban Compass after school program as part of their Christian Service requirement. At the end of the year, Urban Compass will give out awards to the students who perform the most hours of quality service.

Seniors

Seniors are required to do 6 hours of service with Urban Compass. These 6 hours count towards the total 30 required hours. Seniors who do not complete their 30 hours, including the 6 hours with Urban Compass, by the 4th quarter deadline will not be able to attend Grad Night, nor will they receive their diploma until their hours are completed.

Direct Service

All students are required to do direct service to people in need. "Direct service" means you must have some interaction with the people you serve. Some examples include: serving food to the homeless, visiting the elderly, tutoring young children, being a positive male role model for children as a coach or big brother, and working with people who are developmentally disabled or physically disabled in some capacity that directly serves them. Freshman and sophomore students must do ALL their hours as direct service. They are not allowed to file papers, pick up trash, and do other types of non-direct service for their service hour requirement. If you are not clear about what direct service means ask the Christian Service coordinator. Junior students must complete at least 25 hours of direct service. If they choose, 5 of their 30 hours are allowed to be indirect service. Senior students must complete at least 20 hours of direct service. If they choose, 10 of their 30 hours are allowed to be indirect service. Students are allowed and encouraged to do independent service projects outside of what the school offers, but only with the permission of the Christian Service Coordinator.

Saturday Service Trips

Students have the opportunity to attend Christian Service trips on various Saturdays throughout the year. Students must sign up ahead of time to attend these trips. These trips are offered as a way to share in service with classmates; however, they should not be viewed as the only means of fulfilling the requirement. Those who sign up for trips and are unable to attend need to notify the Christian Service

office as soon as they can. Students who sign up but fail to attend or give previous notification will not be able to go on any further service trips that semester. Likewise, students failing to attend a trip for which they signed up without notifying the Christian Service office in advance will receive a JUG.

Service Reflection

All students are required to participate in service reflections during the school year. Freshman students will be expected to complete reflection questions for every service project in which they participate. These questions must be typed and turned in to the Christian Service Coordinator within one week of the completion of service, whether the service is through Verbum Dei or is independent service. Sophomore students will be expected to complete reflection questions once every quarter. Junior students will write a reflection piece first semester. Second semester, juniors will present a project centered on their service organization and their experience there. Senior students will do a culminating presentation second semester based on their 4 years of service.

ATHLETICS

VERBUM DEI ATHLETICS PHILOSOPHY

It is the mission of Verbum Dei High School to teach values based on the teachings of Jesus. To this end, Verbum Dei provides programs of excellence that develop and harmonize the intellectual, the spiritual, the emotional, and the physical characteristics of individual students.

The ultimate goal of this integration is to give our students the means to translate Christian values into action. Since Verbum Dei first opened its doors in 1962, athletics have played a vital role in the formational process which enables this translation to take place.

The Verbum Dei athletic philosophy is centered on the educational foundations outlined in the JSEA document "The Graduate at Graduation," which are the educational outcomes students will achieve by graduation. In unison with the Verbum Dei ISO's (Integral Student Outcomes: A Verbum Dei student is...OPEN TO GROWTH, INTELLECTUALLY MOTIVATED, SPIRITUAL & LOVING, COMMITTED TO DOING JUSTICE, AND WORK EXPERIENCED) the "Grad-at-Grad" expectations set the direction of the schools educational and co-curricular programs including athletics. Through participation in athletics, Verbum Dei students mature and learn to take responsibility for his *growth as a person* by developing the following characteristics: 1. Competitive Greatness (Fight with Integrity), 2. Team Spirit (Commitment, Loyalty, Cooperation, and Self Control), 3. Condition (Optimum Physical Condition to compete which breeds Discipline, Poise, Confidence, and Skill), and 4. AMDG ("Ad Majorem Dei Gloriam," which means "For the Greater Glory of God). The Verbum Dei student-athlete will compete and strive for victory for the love of God, Self, and Teammates.

An evident characteristic of the "Grad-at-Grad" is reflected in how sports teams promote the need to *move beyond self-interest*. Team-centered activities enable our athletes to *share their God-given talents for the betterment of others* -- rather than their own glory. Also, as athletes take their individual skills and apply them toward achieving team goals, a *strong understanding of the importance of leadership naturally evolves*.

The *commitment to justice* outlined in the "Grad-at-Grad" and "ISOs" come to light in our athletic program through the ideals of good sportsmanship. The concepts of fair play and sportsmanship require forethought, maturity, respect, generosity and integrity. By actively promoting these values, Verbum Dei students learn to take them beyond the sports and into their everyday lives.

Athletics success at Verbum Dei is ultimately determined by how well our community, which includes parents, coaches, students and fans, adhere to these standards and utilizes them in the process of becoming the "Grad-at-Grad". In seeking to produce graduates who will be leaders in action, modeled after Christ. We are ultimately asking our coaches and athletes to do more than simply win games. Although winning is certainly a by-product of holding our students to higher standards, it is not our primary goal.

CATHOLIC ATHLETIC ASSOCIATION GUIDELINES: STUDENT ATHLETES

- Players must serve as positive examples by exercising self-control and good sportsmanship.

The ineligibility list is communicated to all coaches, faculty, and moderators four times a year. A student remains ineligible until he achieves at least an Academic 2.3 GPA in a subsequent grading period. It is at the discretion of coaches and moderators to determine whether or not a student will be allowed to participate in the activity once a student re-gains eligibility.

At the end of each grading period the Athletic Director will meet with any student who falls below a 2.3 to discuss eligibility there will be a letter given to each student who falls into one of the three categories: Academically ineligible, in risk of becoming ineligible and now eligible.

A student that falls between 2.0 and 2.3 can ask for a meeting with the Athletic Director and the Interim Principal to appeal for eligibility. On a case by case basis, a student in this category can remain eligible if granted by the Interim Principal.

VDHS WORK STUDY, INC. CORPORATE WORK STUDY PROGRAM

Program Overview

The Corporate Work Study Program (CWSP) provides students with real world job experiences. It is an integral part of their educational experience at Verbum Dei High School. While the CWSP strives to create an environment for success for its students, the student must take personal responsibility to ensure individual success by projecting a positive attitude and behaving in a mature manner while participating in the program. A positive attitude and a commitment to high standards of responsibility and behavior are integral requirements of the student's work ethic.

Students are assigned to work with Corporate Partners five (5) days each month. Their class schedules at Verbum Dei High School are structured so that each student is available one day each week, plus an extra Friday(s) per month, without missing any instructional time. Students gain valuable exposure to a variety of office environments and learn to work and interact with adults in a professional atmosphere.

This portion of the handbook outlines the rules and expectations for students participating in the Corporate Work Study Program. Parents/guardians are required to support students in following these rules and meeting these expectations. Requests for clarification of any part of this handbook should be addressed to the Director of the Corporate Work Study Program, Principal of Verbum Dei High School or President of Verbum Dei High School. All students and parents/guardians are expected to read and follow the rules set forth in this Handbook as part of their agreement with the Verbum Dei Corporate Work Study Program. Verbum Dei reserves the right to change or alter this handbook at any time. Changes or modifications to this Handbook will be made in writing to the parents/guardians and students.

If a student or parent/guardian has any problems or complaints about the Corporate Work Study Program or with any of its administrators, he and his parents/guardians are encouraged to address them with the President of Verbum Dei High School and the Corporate Work Study Program staff.

Corporate Partner Placements

The Corporate Work Study Program department determines all Corporate Partner placements, removals and replacements for students. CWSP staff reserves the right to move students to other jobs at any time for any reason. CWSP staff will make student placements based on academic and discipline records. Corporate Partner placement changes will be considered only after a request is made in writing by the student to his CWSP program coordinator. Each student is responsible for knowing who his program coordinator is and requests will be evaluated on a case by case basis. When a student is assigned to a particular Corporate Partner, he will receive a job description if available, address information, directions to the work site, supervisor's name and telephone number. Students should keep a copy of this information.

VDHS Work Study, Inc. is the legal employer of the students; the Corporate Partner is not the legal employer of the students. Parents/guardians are not permitted to contact Corporate Partners directly; parents/guardians must first obtain consent from a CWSP staff member. If the student or parent/guardian has any questions or would like any information regarding the Corporate Partner, he should contact his program coordinator.

Although each Corporate Partner enforces different rules, CWSP policies and rules supersede those of the Corporate Partner. Exceptions will be made on a case-by-case basis only when a written request is made by the Corporate Partner.

Communicating with Corporate Partner Supervisors / Co-workers

VDHS Work Study, Inc. is the legal employer of the students; the Corporate Partner is the placement site. Parents/guardians are not permitted to contact the student's supervisor directly; parents/guardians must first obtain consent from a CWSP staff member. If the student or parent/guardian has any questions or would like any information regarding the Corporate Partner or supervisor, she/he should contact the student's program coordinator in the Corporate Work Study Program office.

For students' safety and that of supervisors/co-workers, students may not communicate with supervisors/co-workers using personal cell phones, personal email accounts, social network sites (i.e., Facebook, Instagram, Snapchat, Vine, etc.), blogs

(this includes chat websites) or text messaging. Students and supervisors/co-workers may not “friend” or follow each other on social networking sites while the student is enrolled at Verbum Dei High School.

Drug Testing

Some Corporate Partners require drug testing of employees; VDHS Work Study, Inc. reserves the right to drug test any and/or all students at its discretion. Negative results of testing may be made available to Corporate Partners (in confidence) at their request. Positive results are grounds for dismissal from CWSP and expulsion from Verbum Dei High School.

Incidents on the Job

The Corporate Work Study Program expects that all Corporate Partners will treat their students with respect. A student should report any incidents of poor or inappropriate behavior or treatment at the Corporate Partner's workplace by co-workers, supervisors or others. Matters involving disrespect, sexual harassment, discrimination or other inequitable treatment of students based on ethnicity, gender, sexual preference, race, culture or religious beliefs are serious and will be treated accordingly and confidentially.

If a student experiences negative treatment on the job, he should immediately report the incident to his program coordinator. The Corporate Work Study Program has a vested interest in the success of its students and their work experience. CWSP staff will act as mediator in difficult situations between worksite and the student. Upon notification of negative treatment, the student may be pulled from his worksite and not return until the matter is resolved. During the time of mediation/investigation, the student will work in the CWSP office. Parents/guardians must work with CWSP and Verbum Dei High School staff when dealing with any Corporate Partner-related issues.

Any student behavioral problems occurring at work will be dealt with on an individual basis. The student is expected to conduct himself in a professional manner, including adherence to the Verbum Dei High School Code of Conduct. The student is a representative of the Corporate Work Study Program and Verbum Dei High School, and his actions and demeanor not only reflect on him personally but also reflect on the school. Because the Corporate Work Study Program is an integral component of the students' education at Verbum Dei, negative incidents at the work place will be treated seriously.

Students are held to high standards of honesty and integrity. Use of a Corporate Partner's telephone, office equipment, office services, Internet access, or other office materials without a supervisor's approval is equivalent to stealing and will not be tolerated. Students may not use the Internet or telephone at work for any reason, unless it is directly related to job performance and with the approval of their Supervisor.

Students are employees of VDHS Work Study, Inc., and not employees of the Corporate Partners. As such, employees of the Corporate Partner may be eligible for certain benefits or perks from their employers; Verbum Dei students are not eligible for these same benefits or perks. In some instances, a Corporate Partner may include the student worker in receiving benefits or perks; however, students should never presume their inclusion in such benefits or perks. Students must list VDHS Work Study, Inc. as their employer on resumes, social networking sites and job applications.

Removal or Firing of a Student from a Partnering Site

Verbum Dei Work Study, Inc. reserves the right to remove a student from a worksite. If a student is fired or removed in lieu of firing due to behavioral or disciplinary issues or poor performance, students will either proceed through a course of disciplinary action directed by the Dean of Students and/or begin a process of employment re-training. Students who begin the process of employment re-training will,

1. Sign a CWSP probation contract
2. Serve up to two Saturday JUGs
3. Complete a PowerPoint presentation about his experience
4. Attend CWSP workshops

The students' future Corporate Partner assignment will depend on the successful completion of the employment re-training. Completion of the employment re-training does not guarantee reemployment.

CWSP Team Performance Review Meeting

Whenever a student's CWSP performance and/or excessive absences/tardies cause him to be fired from work, the CWSP Director will convoke a CWSP Performance Review Meeting to review, discuss and decide on the student's employability based on the facts presented by both the Corporate Partner and the student. The deliberation of the CWSP team in the CWSP Performance Review Meeting is essential to the process of determining a student's status when his performance and/or excessive absences/tardies have caused him to be fired from work and made him liable to be dismissed from the school. Because of the nature of the discussions of the CWSP Performance Review Meeting, those discussions are confidential.

The following staff members will participate in the CWSP Performance Review Meeting: the VP of CWSP, VP of Corporate Recruitment, and Program Coordinators. The Director of CWSP will inform the Dean of Students and Principal of the outcome of the meeting. The Principal has the responsibility to inform the President and the Faculty of his/her decisions. The decision will be subject to review by the President of Verbum Dei only upon presentation of previously unrevealed circumstances or evidence.

Parents/guardians will be notified by the CWSP staff, in a timely fashion, of any student work-related incidents. All students who are fired from their job placement will earn no higher than a C grade in the semester during which the firing occurred and students will be ineligible for the quarter for no less than one quarter (15 weeks). A student who is fired twice during his four years at Verbum Dei High School is subject to dismissal from the Corporate Work Study Program and expulsion from Verbum Dei High School.

If a student is removed in lieu of firing or is fired from his job and has incurred absences prior to his firing, the days can no longer be made-up; therefore, the student must pay the \$150 workday replacement fee per missed workday.

Seniors who are fired from their job placement, risk consequences such as revocation of senior privileges, including, but not limited to Prom and Grad Night.

Movement of Students within the CWSP

Verbum Dei Work Study, Inc. reserves the right to move a student from a worksite for scheduling needs and overall effective placement of all student workers. CWSP staff will determine whether a student remains or is moved from a Partnering site. The student's academic and discipline records will be considered when moving a student. Such a decision

will take into account the Corporate Partner's recommendation, but will not be solely contingent upon their recommendation.

Performance Reviews

Part of the learning experience for students in the Corporate Work Study Program is that they will be treated like adult employees. Two performance reviews will be conducted during the year. The first review will be completed by the student's supervisor at the end of the first semester in December. Students will be allowed and are encouraged to view their evaluation in consultation with their supervisor and/or his CWSP program coordinator. The first performance review will assist the students in gauging their performance, identifying areas in which they excel, and allowing them to further improve their performance. Final performance reviews will be available for student viewing at the end of the second semester.

A copy of the performance review form is available to all students. The form evaluates students in a number of areas including attitude, willingness to work and take direction, self-motivation, willingness to ask questions, quality of work, and respect for co-workers and property. The performance review constitutes a portion of the student's overall CWSP grade each semester. It is also used by the CWSP staff to determine whether a student is employable. If a student is not employable, he is subject to dismissal from the Corporate Work Study Program and expulsion from Verbum Dei High School.

CWSP Workshops

Students whose performance reviews reflect poor performance and were not asked to return to their CWSP placement for the following school year will be required to attend monthly CWSP workshops, as stated in their CWSP contract. The CWSP Workshops will take place once a month on Mondays for 1 hour. Students who do not attend all scheduled CWSP workshops will receive a Saturday JUG and must complete the assignments from the missed workshop. Failure to complete the assignment will result in a Homework JUG. Students who do not complete the assignment will proceed through a course of disciplinary action directed by the Dean of Students.

CWSP Readiness Course

CWSP Readiness is designed to help students develop the job training skills necessary for their work study placement. The focus of the workshops is on soft skills. Students are given information and engaged in scenarios about workplace relationships, attire, communication, first impressions, etiquette, judgment, accountability and efficiency. Workshops also include office safety, harassment, and labor laws. There is a computer class that introduces students to Microsoft Office Excel and Word functions. Also, a skills lab gives students an opportunity to complete mock assignments and tasks similar to those given at different work study placement. The skills lab enables students to not only complete assignments but engage them in asking questions for clarification, taking initiative and owning up to mistakes.

While students will not become experts in the topics presented to them, they will be introduced to the concepts that they will encounter at work. The experience at their work study placement will enhance their skills and work ethic.

CWSP Grading and Credit

Students receive five credits for each successfully completed semester in the Corporate Work Study Program. Grades are based on CWSP attendance/tardy record, appropriate participation in the morning roll call assembly, successful completion of CWSP assignments, and individual performance reviews from Corporate Partner supervisors. CWSP assignments vary by grade level.

9th grade – Business Skills

10th grade – Work Ethic

11th grade – Business Math

12th grade – On Your Own – Life Skills

CWSP ATTENDANCE

The students will report to Verbum Dei High School no later than 7:30 AM, for CWSP roll call. Students will board a bus or van and be transported to work. On the day a student is assigned to work, he is expected to work a full day of approximately eight (8) hours. Depending on their bus/van schedule, students are expected to start as soon as they are dropped off at their worksite and conclude work at 4:30 PM, at which time they will leave to meet their bus/van, returning

to school around 5:45 p.m. (traffic permitting). Each student will be notified of his specific work schedule when he receives his job assignment.

When a student misses his assigned work day, a \$50 non-refundable processing fee is charged to his account. If a student makes up his missed day by the deadline, the remainder of his CWSP contribution (\$100) is not charged. The total CWSP contribution that could be charged to a student's account when missed work days are not made up is \$150.00 per missed day of work. CWSP is an integral part of the educational experience at Verbum Dei. Although students do not receive cash-in-hand for their participation in CWSP, students contribute \$7000 to the high school to help pay for the cost of their education. If the student does not work he will not be paid.

A student should not miss work for any reason other than illness or a major family emergency. A doctor's note is due to a CWSP staff member no later than 5 school days after the absence to avoid a \$50 non-refundable processing fee. The same Attendance/Tardy Procedures and Regulations of VDHS apply to the CWSP. Regularly scheduled medical or dental appointments, vacations, or other extra-curricular and co-curricular activities should never be scheduled on a work day.

The following apply to all students who are absent on their workday:

- FIRST and SECOND absences may be excused by CWSP staff, but the days MUST be made up during the semester they were missed and a \$50 processing fee will be charged.
- THIRD absence is unexcused by CWSP staff, requires a \$150 workday replacement fee be paid, and the student will not be allowed to make up the day
- FOURTH absence is unexcused by CWSP staff, requires a \$150 workday replacement fee, the student loses his job, and automatic Review Board at which point all fines are due.

Missed work days cannot be made up on days in which the student is in class. Missed work days may be made up during school holidays and during the semester of the absence. Make-up days will be scheduled at the convenience of the supervisor and student. The student will be responsible for finding his own way to and from work. Day(s) of absence must be made up by December 31st of the first semester and June 15th of the second semester; if the absence is not made up by those dates the student will be charged a \$150.00 workday replacement fee per absence. The student must request written verification from his supervisor as proof that the absence has been made up and forward it to his program coordinator. If a student is removed in lieu of firing or is fired from his job and has incurred absences prior to his firing, the days can no longer be made-up; therefore, the student must pay the \$150 workday replacement fee per missed workday.

Students are responsible for arranging transportation to and from work for any day they must make up. If a Corporate Partner's schedule offers no opportunity for the student to make up an absence, the student assumes the full \$150.00 charge to his account and receives no reimbursement. All checks should be made out to VDHS Work Study, Inc. and should be paid in the CWSP office.

Seniors with multiple unresolved absences jeopardize participation in senior activities, including but not limited to Prom and Grad Night. All work day absences must be made-up prior to seniors receiving their cap and gown.

CWSP TARDY POLICY

Students who are tardy to morning roll call must first report to the front office for a tardy slip. If a student misses transportation to and from work, he will assume the same procedures and consequences as stated in the Attendance/Tardy Procedures and Regulations of Verbum Dei High School. If a student is tardy in the morning, he must report to the CWSP office to pick up his timecard and the parents/guardians are responsible for transporting the student to work on time. If the student arrives late to work, he will be responsible for making up the missed time. If no parent/guardian is available to transport a student, CWSP will transport the student at a rate of \$50.00 per trip. The student is required to notify the school and work as soon as possible if he will be late for work. A student is assumed absent unless proper notification is made. If a student is tardy to the bus in the afternoon the student will earn a Saturday JUG.

CWSP TRANSPORTATION POLICY

The student has the responsibility to be on time for the morning and afternoon transport. Weather and traffic can have unpredictable consequences on the afternoon transportation schedule. Unless there is a Release Form on file with the CWSP staff, students are expected to return to Verbum Dei High School in VDHS vehicles. Students may not drive themselves to or from work. Under no circumstances will any student be dropped off at any location other than at

Verbum Dei High School and the scheduled CWSP drop off and pick site. In an emergency, students are encouraged to work together to ensure everyone's safety. Bus assignments and schedules will be distributed before students start their jobs.

Release Forms

A Release Form must be filed with CWSP staff each time a student is to be dropped off or picked up by a parent/guardian. Suitable disciplinary action will follow should a Release Form not be filed in a timely manner. Students are required to complete a full day of work prior to getting picked up.

CWSP UNIFORM/DRESS CODE

All clothing should be laundered regularly and should be worn in good taste and in good condition, that is: free of holes, stains, etc. Students will not be allowed to go to their CWSP placement if they fail to meet the dress code expectations. Not only will the student incur a CWSP absence and pay the \$50 absence processing fee, he will also work a full day on campus the day of the incident and make-up the absence at his worksite.

Illness at Work

If the Corporate Partner determines that a student cannot perform due to illness, the student must call the school to arrange for transportation. The CWSP Coordinator will confirm with the Corporate Partner and will notify the parent/guardian immediately and if available, the student may go home via parent/guardian transport. A student who is ill in the morning should not go to work; the day will be recorded as an absence and the student will be accountable for making up the absence and a non-refundable \$50 processing fee will be charged to his account. Any incident of a student leaving work early will be treated like an absence and he will be held accountable for making up either a half-day or a full-day, at the discretion of the CWSP staff.

Athletics and School Activities

Student participation in team sports, clubs, and activities is strongly encouraged. In the event that any sporting event or school activity conflict with a student's work schedule, the student's first responsibility is to his job. A student may not miss work in order to participate in athletics, extra-curricular or co-curricular clubs or activities. Students may not ask their supervisor for an exception under any circumstances.

CWSP General Behavior

Participation in the CWSP is both an extension and integral component of Verbum Dei High School. While all school policies and procedures, rules and regulations are applicable to CWSP, there may be times when CWSP will require students to follow additional rules. Students are expected to follow these rules which are designed to ensure the success and integrity of the program for the benefit of its students, the school and the Corporate Partners.

Incidents on the Bus / Van

For the safety of all students, incidents of misbehavior on the bus/van will be taken seriously. Each incident will be dealt with on individual basis by the CWSP staff and/or the Dean of Students. While waiting for the bus/van, students are expected to follow all school and CWSP rules for promptness, behavior and show respect for other students and the general public. While riding on the bus/van, students must remain seated and obey all chaperone/driver instructions. Seatbelts must be worn at all times. Objects should not be thrown from a window and students' heads, arms, and legs should never extend out of the windows.

School Holidays

The Corporate Work Study Program is a real world experience. Often, schools have holidays, while businesses do not. Students may be required to attend work even when there are no classes scheduled for that day. Further, early dismissals and minimum days do not apply to students who work on these days; therefore, students are expected to complete a full day of work regardless of any special school day schedule. Students should assume that they have work each and every week of the year unless they are notified otherwise.

CWSP Sponsor Holidays

On extremely rare occasions, a Sponsor may have a business holiday or special meeting day when a student's services are not required. In this event, the student would be notified in advance if he should report to school on that day.

Holiday / Summer work

On occasion, students are invited to work during school holidays and/or summer break at their job placements. Only students with a GPA of 2.0 or above and in good academic and behavioral standing will be permitted to work. Additionally, students must be enrolled for the semester / school year following the break for which they were invited to work. Students with outstanding fees (i.e. CWSP fees, parent/guardian service hours, book fees, sports fees, tuition) that are not cleared prior to the first day of work will have those fees deducted from their paycheck.

All students working will receive a timecard and dates to submit timecards for timely payment. All payments will be made in the students name and he will receive a W2 for the amount of money that he earned.

CWSP Calendar of Work Holidays

Students begin work at Corporate Partner sites in August. The Corporate Work Study Program and its Corporate Partners recognize the following holidays (non-CWSP, non-workdays). These days may be used as absence make-up or extra pay work days.

PARENT ASSOCIATION

All parents/legal guardians are encouraged to participate in the Verbum Dei Parent Association. The purpose of the organization is to give parents an active role in supporting the education of their child and work cooperatively with the teachers and administrators. The Parent Association serves various functions, including, but not limited to, assisting in fundraising; advising the formulating of school policies and procedures; advancing the public relation interest of the school; providing volunteer support for school activities; promoting the school to potential students and their parents; and representing the interests of the school in the community at large. Parent Association meetings are held on the second Tuesday of each month please check your monthly school newsletter to verify the dates.

PARENT/ GUARDIAN SERVICE REQUIREMENTS

Successful students are supported and nurtured by active, caring, and supportive parents. Parental involvement in the school is a major component of that support. Verbum Dei relies on parental support and seeks it in a minimum level of service hours to the school. Verbum Dei requires 30 hours of service (\$10 per un-served hour) of each family offer to the school per student. Service hour opportunities are publicized at Parent Association meetings, in the monthly newsletter, and via the Main office staff.

SCHOOL FACILITIES

SCHOOL FACILITIES

All Verbum Dei school facilities can only be used under the supervision of a Verbum Dei employee and with the expressed permission of the Principal or President.

EMERGENCY PROCEDURES

Fire Drills: All students must evacuate quietly and promptly in an orderly manner to the athletic field. For safety purposes, maps of the school grounds, basic information, and instructions are available to school personnel.

Earthquake Drill Emergency Procedures: The school has developed a building disaster plan, which outlines the roles, responsibilities, policies, and procedures for students, faculty, and staff in order to maintain the safety of the school community. Maps of the campus and evacuation information are posted in each classroom and office on the premise.

Lockdown: In the event of serious police activity in the immediate area or chemical/biological threat a lockdown will be called. In the event of a lockdown, the office staff will announce over the PA system that the school is in lockdown. Upon notice, teachers will close and lock all classroom doors and windows. Students who are out of class at this time will report directly to the main office until the lockdown is concluded.

CLOSED CAMPUS

To preserve the academic environment and school security, Archdiocesan/ parish high schools are designated as “closed campuses”. No person may enter the campus unless authorized by the school administration. Students must remain on the school grounds at all times during the school day, except when special permission is granted.

VISITORS

All visitors are required to report immediately to the Main Office upon arriving to campus. The school’s receptionist or security will issue a “Visitors Pass” when appropriate. Visitors are not allowed on campus at any time without knowledge and permission of the school’s administration. Student visitors are not allowed on campus unless it has been authorized by the Principal.

STUDENT ILLNESS AND ACCIDENT PROCEDURES

The parent(s)/guardian(s) of any student who becomes ill or is injured will be notified immediately. Only basic first-aid applications will be made for students; no secondary treatment, such as changing or removing bandages, may be administered. No medicine of any kind may be given to students at any time by school administration, faculty, or staff. In the event of an illness, students will be sent to the Main Office for parent/guardian contact. Students will remain in that office until the parent/guardian or adult designee can pick them up. If the parent/guardian is unable to pick up the student, the school will inform the parent/guardian or an adult designee that we will hold the student in the office until the end of the school day and then release him to go home.

Students who are injured while on campus will be administered basic first aid. If the need arises for emergency medical attention and treatment, the local paramedics will be called. If emergency care is not required, but further medical attention is advised, the parent(s)/guardian(s) will be advised by school personnel to transport the student for further medical care.

SCHOOL SEARCHES

A student's legitimate expectation of privacy in their person and in the personal effects they bring to school must be balanced against the obligation of the school to maintain discipline and to provide a safe environment for the school community. Accordingly, school officials may conduct a search of the student's person and personal effects based on a **reasonable suspicion** that the search will disclose evidence that the student is violating or has violated the or a school rule.

School officials do not need a warrant or a parent's permission to conduct a search of the student and/or the school's or a student's personal property, as long as they have a reasonable suspicion that a law or school rule is being or has been violated. Whenever a school principal conducts a search of a student's person or personal effects, an adult witness should be present.

Students do not own their lockers or other school property. Lockers are made available to the student by the school. The student does have some expectation of privacy in his locker from other students. However, a student may not exclude school officials if the school official has a reasonable suspicion that a law or school rule has been violated.

A student has a greater expectation of privacy concerning his backpack, clothing, and other personal effects. A school official who finds it necessary to conduct a search of a student's backpack, purse, clothing, or personal effects must have a reasonable suspicion that the student is violating or has violated a law or school rule. The student's parents should be notified of any such search.

An alert from a trained and certified detector dog is sufficient to allow the school official to have a reasonable suspicion and to conduct a warrantless search of the student's locker, car, or his personal property and effects. In addition to this policy on searches by the school, every student is subject to the Archdiocesan and school use and privacy policies concerning cell phones and other electronic devices, whether the devices belong to the school or to the student.

If a student refuses to cooperate in a reasonable search of the school or student property (including electronic devices), the student's parents and/or police may be called for assistance or referral.

In the event that any items belonging to a student are confiscated, the principal should document that fact and, when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a signature from the student acknowledging that the item was in his possession at the time it was found.

ADDITIONAL ARCHDIOCESAN POLICIES

CONTROVERSIAL ISSUES

Under this heading are understood topics or issues of a religious, moral, social-political or scientific nature concerning which there are definite but differing and/or conflicting positions taken by recognized theologians, moralists, social scientists, politicians and scientists. With due regard for the Catholic environment of Verbum Dei High School and its commitment to the teaching authority of the Catholic Church, students will be introduced to controversial issues as they relate to course subject matter. They will be covered comprehensively and opposing views will be presented with objectivity and fairness. Advocacy for positions in direct conflict with Catholic teaching will not be permitted except in the course of open class discussion or a debate staged as a pedagogical instrument. In other areas, free discussion is encouraged.

HARASSMENT

A charge of harassment shall not, in and of itself, create the presumption of wrongdoing. However, allegations of harassment that are substantiated by evidence will result in disciplinary action, up to and including dismissal. Anyone filing a false and frivolous charge will be subject to disciplinary action, up to and including dismissal.

Harassment occurs when an individual is subjected to treatment or a school environment that is hostile or intimidating. It includes, but is not limited to, any or all of the following:

- Verbal harassment: Derogatory comments and jokes; threatening words spoken to another person.
- Physical harassment: Unwanted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal work or movement.

- Visual harassment: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, and gestures.
- Sexual harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

Verbum Dei is committed to providing a learning environment that is free from harassment in any form by anyone toward anyone. The school will treat all allegations of harassment seriously and will review and investigate such allegations promptly, thoroughly, and confidentially.

HARASSMENT COMPLAINT FILING AND INVESTIGATION PROCEDURES

The following procedures must be followed for filing and investigating a harassment claim:

The student may first choose to tell the individual causing the harassment that the conduct is offensive and must stop. If the objectionable behavior does not cease immediately, the student must report the harassment to the Principal; or to the President, if the Principal is the subject of the allegation; or to the Regional Supervisor, if the President is the subject. Additionally, in the case of sexual harassment allegations, the student is free to raise the issue with another student or same sex administrator if he prefers to do so. The student alleging harassment will be asked to complete a formal, written complaint. The claim will be investigated thoroughly and will involve only the necessary parties. Confidentiality will be maintained as much as possible. The investigation will include a meeting with the person alleged to have harassed, sharing with that person the nature of the allegations as well as the name of the person bringing the allegations. If appropriate, the alleged harasser will be replaced on administrative leave during the course of the investigation. Once the facts of the case have been gathered, the Principal, in consultation with Regional Supervisor, will decide what, if any, disciplinary action is warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment and can include all disciplinary action up to and including immediate termination. If the complaint is against a non-employee or non-student, such as a parent, volunteer, or vendor, the school will take steps, within its power, to investigate and eliminate the problem.

BULLYING is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing and/or threatening of another person. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of harassment and abuse.

HAZING is any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in with respect to these organizations which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any student or other person.

RESPONSIBILITY OF VERBUM DEI HIGH SCHOOL:

- Establish practices and provide staff development training and age-appropriate information for students, designed to create a school environment free from discrimination, intimidation or harassment.
- Make all faculty, staff, students, parents/guardians, and volunteers aware of this policy and the commitment of the school toward its strict enforcement
- Remain watchful for conditions that create or may lead to a hostile offensive school environment.

RESPONSIBILITIES OF THE STUDENT

- Conduct himself or herself in a manner that contributes to a positive school environment.
- Avoid any activity that may be considered discriminatory, intimidating, harassing, bullying or hazing.
- If possible, inform the other person(s) that the behavior is offensive and unwelcome.
- Report all incidents of discrimination, harassment, bullying or hazing to the Principal or teacher.
- As appropriate, the students involved may be asked to complete a formal, written complaint which will be investigated thoroughly and will involve only the necessary parties. Confidentiality will be maintained as much as possible.

STUDENT THREATS

All student threats to inflict serious harm to self or others, or to destroy property, will be taken seriously. Whoever hears or becomes aware of any threat made by a student should immediately report it to the pastor, Principal, or a teacher. The Principal should notify the police immediately. The Department of Catholic Schools should also be notified.

The student who has made the threat should be kept in the school office under supervision until the police arrive. The parents/guardians of the student who has made the threat should be notified. Any adult or student who has been identified as the potential victim, or mentioned in writing as a potential victim, should be notified immediately.

The student who has made the threat, shall be suspended until the investigation by the police and school has been completed.

The decision to re-admit a student who has made a threat should be made by the Principal and Pastor on a case-by-case basis.

Practical jokes or offhand comments of a threatening nature will be taken seriously and will be investigated. These actions may result in suspension or removal of a student from school.

VERBAL/WRITTEN CONFIDENCES POLICY

All school personnel will respect the verbal or written confidences of students, except in cases where the health or safety of the student or others is involved.

VERBUM DEI HIGH SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, or national and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decision concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic and physical abilities and the resources available to the school in meeting the student's needs.

DOCUMENTATION OF NON DISCRIMINATION

The Internal Revenue Service requires non-public schools to maintain a nondiscriminatory policy with respect to students in order to be recognized as tax exempt. Schools must demonstrate the existence of this policy by annually publishing a statement of nondiscrimination.

By October first of each year, each archdiocesan school must complete a form stating its nondiscriminatory policy. This form is sent to the Department of Catholic Schools and is kept on file there. For parish schools, the pastor will publish the nondiscriminatory policy statement in the October issue of the parish bulletin. The school retains a copy of this issue of the parish bulletin in the school file. The statement of nondiscrimination is published each year in the Staff Handbook, Parent-Student Handbook and also in the admissions materials.

INCLUSION

As a Catholic school every attempt is made to serve students whose parents desire a Catholic education. Although a full range of services may not be available to every student, the school will strive to include students with varied learning needs. All educators in Catholic schools follow "Directions for the Inclusion Process in Catholic Schools: Support Team Education Plan Process (STEP) and Minor Adjustment Plan Process (MAP)". Parents or guardians who feel that their student may need a minor adjustment to enable him/her to participate in the general education curriculum of the school should talk to the student's teacher and Principal to implement the STEP or MAP process.

WORK PERMITS

No minor under eighteen (18) years of age and over sixteen (16) years of age who is required to attend school and no minor under sixteen (16) years of age may work without a permit. Work permit applications may be obtained from Verbum Dei High School. To obtain a permit, students must present a request for a work permit form to the Director of the VDHS Corporate Work Study Program. Please note: Work permits used for VDHS Workstudy, Inc (doing business in the CWSP Program) may not be used for other work placements.

STUDENTS NO LONGER LIVING WITH THEIR PARENTS

Central to the philosophy of archdiocesan/parish secondary schools is the belief that parents are the primary educators of their children. In support of this, the school and the parents work in close collaboration in all aspects of the student's educational process. A student not living in the home of a parent or guardian may not be allowed to attend an archdiocesan/parish secondary school.

The Principal is expected to confer with the Regional Supervisor before making any final decision.

EMMANCIPATED OR 18 YEAR OLD STUDENTS

All school regulations apply to students who are emancipated or eighteen years of age as long as they are enrolled in the school.

PREGNANCY

A primary purpose of Catholic education is to guide students' growth in Christian values and moral conduct. Catholic teaching stresses that the body is a temple to the Holy Spirit and that the sanctity of family life is enhanced through a fulfillment of God's plan expressed by a loving and permanent commitment. Premarital sexual activity is contrary to these values. However, when a pregnancy occurs outside of a marriage, the total school community must offer support to the pregnant students and/or the student father so that the pregnancy can be brought to term. The reality of the situation, in all its dimensions, is to be treated in a Christian and humane manner. To insure the best interests of the student, parents and the school community, the school administrators will implement certain procedures. When school personnel learn of a student identified as a father-to-be, the Principal must meet with him and the parents and require that he be involved in a counseling program. He will also be referred to his pastor for advice and counseling. Without jeopardy to the above guidelines, the school shall retain the right and the responsibility to promulgate and implement disciplinary measures, including expulsion, for public and overt breaches of Catholic moral teaching.

ABORTION: ADMINISTRATIVE POLICY AND ADMINISTRATIVE PROCEDURE

Policy: The teaching of the Catholic Church is clear regarding the inviolable right to life of all human beings, the reverence and respect owed to each person including those conceived and not yet born, and the morally indefensible procurement of an abortion. Abortion disregards innocent human life is incompatible with and contradictory to the fundamental teachings of the Church, the mission of the Catholic school, and the values that ought to permeate Catholic education (*Gaudium et Spes*, 51; *Code of Canon Law*, 1398). Catholic teaching does not accept that anyone may justifiably arrange for or procure an abortion for oneself or for another person, be forced or pressured into having an abortion, or influence or coerce another person to have an abortion. Moreover, given the already existing network of prenatal programs and pregnancy counseling available in the Archdiocese of Los Angeles, there is no acceptable reason why any student should be coerced into having an abortion. Therefore, the involvement of any student in procuring or assisting in the procurement of an abortion is cause for such student to be dismissed from school. Furthermore, if any student's parent or guardian coerces and/or assists in the procurement of an abortion for his or her daughter or any other student, this action is also cause for the son or daughter of that parent or guardian to be dismissed from school.

Procedural Guidelines: In accord with the policy above, each situation regarding abortion will be handled on an individual basis, applying the following suggested procedural guidelines. If it becomes known to any member of the school community that a student is contemplating or planning an abortion, that member of the school community is to advise the student to contact the administrator or counselor designated for the purpose of facilitating pregnancy counseling. In the case of a parochial elementary school, the designated person will usually be the Principal, the pastor, or his associate. All reasonable encouragement should be given to the student to save the life of her unborn child. In all circumstances, the mother of the unborn child is to be treated with compassion and respect. If the student intends to proceed with the abortion, does proceed with the abortion, or makes known that she has undergone an abortion or that he/she has assisted in procuring an abortion, the administrator, teacher, or counselor to whom this fact is made known, without jeopardizing the privacy of the student, is to contact the Coordinator of Religious Formation for further guidance in handling the situation. Without jeopardy to the above guidelines, the school retains the right and the responsibility to promulgate and implement disciplinary measures, including expulsion, for public and overt breaches of Catholic moral teaching.

STUDENTS INFECTED WITH AIDS

The Archdiocese of Los Angeles reserves the right to revise these guidelines at any time for any reason including, but not limited to, changing medical knowledge, legislation, and law.

General Principles: The Archdiocese of Los Angeles has accepted the United States Bishop's statement, "The Many Faces of AIDS: A Gospel Response" as adapted for use within the archdiocese. This document states: Infection with AIDS in and of itself should not be a reason to exclude students from any Catholic elementary or secondary school, religious education program, or institution of higher learning. However, alternate educational and catechetical arrangements may be made for infected students whose behavior has been shown to be a danger to others. HIV/AIDS is not spread by casual, everyday contact. Therefore, barring special circumstances, students who are infected with HIV/AIDS will be admitted to our elementary and secondary schools. Usually, these students are entitled to all rights and services accorded to other students. Decisions about any changes in the educational program of a student who is infected with HIV/AIDS shall be made on a case-by-case basis. Each situation will be analyzed and responded to as required by its particular facts. Any decision will take into account Christian concern and compassion, community health and well being, and individual privacy and needs. The schools will undertake an educational effort to inform staff, students, and parents about Acquired Immune Deficiency Syndrome (AIDS). This educational effort will inform persons concerning the nature of HIV infection, including how it is and how it is not spread, according to current scientific evidence; school policy and procedures related to students with diseases such as HIV infection; resources for obtaining additional information or assistance; and procedures to prevent spread of all communicable diseases at the school.

Evaluating Students Who are Infected with HIV/AIDS: HIV infection is not transmitted casually; therefore, it is not in itself a reason to remove a student from the school. If the Principal is notified that a student is infected with HIV, the Principal will determine whether a student infected with HIV has a secondary infection, such as tuberculosis, that constitutes a recognized risk of transmission in the school setting. This is a medical question, and the Principal will answer it by consulting with the infected student's physician, a qualified public health official who is responsible for such determinations, and the infected student's parents or guardians. The Principal will also determine whether or not the student's behavior could be a danger to others. This group will also discuss ways that the school may help anticipate and meet the needs of the infected student. If the student's behavior poses no danger, and there is not secondary infection that constitutes a medically recognized risk of transmission in the school setting, the Principal will not alter the educational program of the infected student. However, the Principal will periodically review the circumstances of the case to see whether or not the situation has changed sufficiently to warrant a re-examination of the decision. If a student's behavior poses a danger to others, or there is a secondary infection that constitutes a medically recognized risk of transmission in the school setting, the Principal will consult with the physician, public health official, and the infected student's parents or guardians. Other persons may be consulted if this is essential for gaining additional information, but the parents or guardians of the infected student must approve of the notification of any additional persons who would know the identity of the infected person (*Chapters 1.11 and 199.20 of the California Health and Safety Code*). When the Principal makes a decision about the specific case, the parent or guardian of the infected student may appeal the decision to the pastor in the parish-school setting or the superintendent of schools in the secondary school setting. All concerned will observe utmost confidentiality throughout this process.

Informing Persons of the Identity of a Student with HIV/AIDS: The people who know the identity of a student who is infected with HIV/AIDS are those who will, with the infected student's parents or guardians, determine whether the student has a secondary infection that constitutes a medically recognized risk of transmission in the school setting. They are the Principal, the personal physician of the infected student, and a public health official. The decision-makers listed above and the infected student's parents or guardians will determine whether additional persons need to know that an infected student attends the school. Other persons may not know the name of the infected student without the written consent of the infected student's parents or guardians. Additional persons may be notified if the decision makers feel that this is essential to protect the health of the infected student, or if additional persons are needed to periodically evaluate or monitor the situation. Written consent for notifying these additional persons must be given by the infected student's parents or guardians.

Keeping Records: All persons shall treat all information as **highly confidential**. No information shall be divulged, directly or indirectly, to any other individuals or groups. All medical information and written documentation notes, telephone conversations, proceedings, and meetings shall be kept by the Principal in a locked file. The infected student's parents or guardians shall be advised that this file, containing only information relevant to the HIV/ AIDS infection, is being kept separately from the student's other records. Access to this file will be granted only to those persons who have the written consent of the infected student's parents or guardians. To further protect confidentiality, names will not be used in documents except where it is essential.

Infection Control: The school will follow the guidelines established by the United States Centers for Disease Control for prevention of the spread of HIV. These are:

- careful and frequent hand washing by staff and children;
- soiled clothing from children should be placed in a sealed plastic bag to be sent home and washed with detergent, bleach, hot water, as that will kill HIV;
- use of disposable gloves is required for the cleaning of a bleeding injury, and blood contact should be followed by immediate washing with soap and water;
- washing off areas where blood, urine, feces, etc., have spilled should be done with one cup of household bleach diluted in one-half gallon hot water;
- when changing wet or soiled clothing, staff should pay particular attention to hand washing - if soiled clothing contains blood, staff should wear disposable gloves;
- disposable diapers and disposable gloves should be placed in a plastic bag to be disposed of in a covered container;
- housekeeping personnel need to be instructed to provide for careful disposal of bloodied material.

Penalty by Law: Any person whose willful or negligent disclosure of the results of an HIV test that results in economic, bodily, or psychological harm to the affected student is guilty of a misdemeanor and can be imprisoned and/or fined up to \$10,000 for each disclosure. Current law further provides for a civil penalty of up to \$5,000 for each willful disclosure of a person's test results, and \$1,000 for each negligent disclosure (*Chapter 1.11 of the California Health and Safety Code*). Any violation of confidentiality by a school employee will be referred to a special committee composed of the Principal, the Pastor if it is a parish setting, the regional supervisor, and the superintendent of schools. Any school employee who becomes aware of a breach of confidentiality must report that immediately to the Principal, and, in turn, maintain confidentiality.

Position of the Archdiocese: **It is the position of the Archdiocese that any person, whether employed by the Archdiocese or not, who breaches confidentiality in any way regarding the disclosure of the name of a student who is HIV infected shall be liable as an individual for this breach and individually responsible for any penalties that may be levied. The school will not provide any defense or liability coverage for any acts that are in contravention to these confidentiality laws mandated by the State of California.**

ANNUAL NOTIFICATION OF RIGHTS UNDER FERPA

As a member of the Cristo Rey Network, **Verbum Dei High School** participates in programs in which students' personally identifiable information, such as social security numbers, are disclosed to school officials for purposes of tracking alumni throughout college. This data enables Cristo Rey Network schools to better serve their alumni and informs discussions that take place at each school about curriculum and instruction.

The release of student information is made pursuant to The Family Educational Rights and Privacy Act (FERPA), which affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. **Verbum Dei High School**, "a Cristo Rey Network school," is obligated to inform students and parents of their rights under this law. The following explains the rights of parents and students over 18 under FERPA:

- 1) You have a right to inspect and review your education records within 45 days of making a written request of the specific records you wish to inspect to your school Principal. Parents or eligible students should submit to the Principal of the Cristo Rey Network school a written request that identifies the record(s) they wish to inspect. The Cristo Rey Network school officials will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- 2) You have the right to request an amendment or change of your education records if you believe them to be inaccurate. The request should be in writing and should specify the part of the record you want changed. Parents or eligible students may ask the Cristo Rey Network school to amend a record that they believe is inaccurate. They should write to the Principal of the Cristo Rey Network school and clearly identify the part of the record they want changed, and specify why it is inaccurate. If the Cristo Rey Network school decides not to amend the record as requested by the parent or eligible student, the Cristo Rey Network school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- 3) You have the right to consent to disclosure of personally identifiable information contained in the student's education records, except FERPA does permit disclosure without consent to school officials with legitimate educational interests. A school official is a person employed by the Cristo Rey Network school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Cristo Rey Network school's Board; a person or company with whom the Cristo Rey Network school has contracted to perform a special task (such as an attorney, auditor, medical consultant, therapist, or a company providing degree verification services to the Cristo Rey Network school; or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- 4) You have a right to file a complaint with the U.S. Department of Education concerning alleged failures by a Cristo Rey Network school to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

THE FAMILY POLICY COMPLIANCE OFFICE

U.S. Department of Education/400 Maryland Avenue, SW/Washington, DC 20202-5901

NOTIFICATION OF DESIGNATION OF DIRECTORY INFORMATION

In fulfillment of the Cristo Rey Network school's obligations to parents and eligible students pursuant to the Family Educational Rights and Privacy Act ("FERPA" or "the Act"), notice is hereby given of the Cristo Rey Network school's FERPA policy and parents' and eligible students' rights under the Act.

FERPA is a Federal law that protects the privacy of student education records. The law applies to all institutions that receive funds under an applicable program of the U.S. Department of Education. FERPA was designated to protect the privacy of educational records, to establish the rights of parents and eligible students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Parents and eligible students also have the right to file a complaint concerning any alleged failure of a Cristo Rey Network school to comply with the Act. Complaints may be addressed to:

THE FAMILY POLICY COMPLIANCE OFFICE

U.S. Department of Education/400 Maryland Avenue, SW/Washington, DC 20202-5901

Designation of Directory Information. Parents and eligible students are advised that notwithstanding the above, the Cristo Rey Network school has designated certain information contained in the education records of its students as "Directory Information" for purposes of FERPA. Directory Information may include, but is not limited to, information such as the student's name, addresses (including e-mail addresses), telephone number, date of birth, year of school, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, photographs (including identification pictures), videos depicting and/or concerning life at the Cristo Rey Network school, degrees and awards received, and previous educational institution(s) attended.

Parents' and Eligible Students' Right to Prevent Disclosure of Directory Information. Any parent or eligible student wishing to prevent disclosure of directory information must file a written notification to this effect with the proper school official. A parent or eligible student may initiate a hold on the release of directory information at any time. This may be done in writing to the [insert proper school official]. If the parent or eligible student submits the request to the Principal, it becomes effective on the day it is entered by the Principal.

Parents and eligible students are advised that previously printed documents (or documents already prepared and/or sent for publication prior to the parent or eligible student initiated hold) may contain directory information as it was consented to before the request for limited disclosure.

Once the parent or eligible student places a hold on the release of directory information, the restriction remains in effect permanently, unless rescinded by the parent or eligible student. For this reason, parents and eligible students are encouraged to review their demographic data periodically.

In the event that no restriction is filed, the Cristo Rey Network school will assume that the parent or eligible student does not object to the release of directory information.

Disclosure of personally identifiable information. Under FERPA, the Cristo Rey Network school may disclose personally identifiable information such as a student's social security number to school officials and from time to time may choose to contract individuals or organizations to act as school officials to assist the school in tracking its alumni throughout the college. Unless a parent, student or former student files a notice to prevent disclosure as described above, a student's social security number may be released for the purposes described herein.

Definitions: The person referred to as the responsible official in the process is the person designated by the Archdiocese to coordinate the efforts to comply with and carry out its responsibility, ordinarily the Principal and/or the President of the school.

Process: The person bringing the complaint is encouraged to try to resolve the complaint by discussing it frankly with the responsible official and/or the persons directly involved. The responsible official reviews the facts presented and facilitates a thorough discussion of the problem. The goal is to achieve a just resolution of the problem and reconciliation among all persons concerned. The responsible official orally responds to the complaint and provides the person bringing the complaint with a written summary of the response. If the complaint is not able to be resolved at the school level, the person bringing the complaint states it in writing and the specific resolution sought. Copies of this written complaint are sent to the responsible official and the Regional Supervisor of the Department of Catholic Schools. The Regional Supervisor will review the complaint in a timely fashion and will attempt to act as a mediator to bring about mutual agreement between the person bringing the complaint and other parties. However, if no agreement can be reached, the Regional Supervisor makes a determination concerning the resolution of the complaint based on the application of Archdiocesan and school policies and/or regulations. The Regional Supervisor will then communicate the final determination in writing to all parties. There is no appeal beyond the regional supervisor.

Effects of Complaint Resolution: The determination concerning a complaint is applicable to that complaint only and is not binding authority for the disposition of any other complaint. School policies, rules, regulations contained in the Faculty Handbook, Student & Parent Handbook, employment agreements, Archdiocesan Administrative Handbook, and the like are binding and not subject to reversal or abrogation because of the decision reached in a Complaint Review Process.

CONFIDENTIALITY AND PRIVACY

Privacy and Access to Records

Maintaining confidentiality is the legal, ethical and professional responsibility of every member of the school community, including students, parents/guardians, teachers, aides, and all other employees. Every member of the school community must respect the privacy of all students, families, employees, the Principal and the Pastor.

Pupil Records

"Pupil records" means any record related to a student that is maintained by a school or one of its employees. It includes health records. It does not include "directory information" or a school employee's informal notes, if the notes remain in the sole possession of the maker and are not made available to others, except to a substitute.

Only the Principal, as custodian of the records, authorizes the release of pupil records. Only teachers or administrators charged with pupil oversight have the right to view or use pupil records. A teacher's aide may view or use pupil records only with direct teacher supervision. Pupil records may be released by judicial order such as a subpoena or a search warrant. In specific cases, such as suspicion of kidnapping, police officers may be given access to records.

Parents and legal guardians of minors have the absolute right to access their child's pupil records in accordance with the school's reasonable procedures for providing such access. Parents or legal guardians may grant any specified person written consent to access specifically identified pupil records. In cases of legal separation and/or divorce, California state law gives the custodial parent and a non-custodial parent with visitation rights, the right to access and examine pupil records. However, only the custodial parent may consent to the release of records and has the right to challenge the content of the records and to write responses to information regarding disciplinary action. A non-custodial parent without visitation rights has no right of access to records of any kind.

Directory Information

"Directory information" means one or more of the following items: pupil's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the pupil.

The school will, to the extent possible, minimize access to student telephone numbers or personal email addresses, unless the parents or legal guardians consent to broader access. To the extent possible, users should try to minimize access to or distribution of student telephone numbers or personal email addresses, unless the parents or legal guardians consent to broader access.

Room parent rosters, class lists, telephone numbers, email address lists or any other personal information about families and students are considered confidential and may be used only for the purposes specified. In no cases should commercial enterprises be given access to Directory Information.

Verbal/Written Confidences

Confidential information may be provided by students or parents/guardians to school employees in many ways. Students may confide in staff verbally, in writing, such as a note or a writing/journal assignment. All school employees must respect the verbal or written confidences of adults and students, except in cases where the health or safety of the student or others is involved. If the confidence received relates to a health or safety issue, the Pastor, Principal or other person in charge or appropriate authorities must be notified promptly, keeping in mind the rights of privacy that apply. Archdiocesan policy on reporting suspected abuse of children or vulnerable adults must be followed when applicable.

Guidelines for Adults Interacting with Minors at Parish or Parish School Activities or Events (Global Archdiocesan)

Adults acting in a staff, faculty, ministerial or other paid or volunteer position in the Archdiocese are role models who are called to treat each minor with respect and care. Staff members, faculty or volunteers serving either in a paid or volunteer position need to maintain professional relationships with minors whether on or off parish or parish school locations. **Please review the following guidelines and sign the "Acknowledgment of Receipt" for the file at the parish or parish school where you work or volunteer.**

- Staff members/faculty/volunteers will ensure that minors are properly supervised at all times, thus providing them a safe environment. Minors must be viewed as "restricted individuals" because they are not adults and are not independent.
- If staff members/faculty/volunteers who are supervising minors observe a situation where civil law, parish and/or school rules are being violated, they must take appropriate action immediately.
- Staff members/faculty/volunteers should always be aware they have considerable personal power because of their ministerial positions. Therefore, they will maintain respectful ministerial relationships, avoiding manipulation and other abuses of power.
- Staff members/faculty/volunteers must avoid assuming the role of a "father or mother figure" which may create an excessive emotional attachment for all parties.
- Attraction between adults and minors is possible, and care and caution should be taken in all interactions. The parish/school administration should be informed immediately if such an attraction exists. Dating or sexual relationships between a staff member/faculty/volunteer and a minor are inappropriate and unethical. Dating or sexual relationships between a staff member/faculty/volunteer and a minor are unlawful.
- Communications with minors (e.g., notes, email and internet exchanges, telephone calls) must be for professional reasons only.
- Discussions of a sexual nature must always take place in an appropriate educational context. Sexual jokes, slang or innuendo are inappropriate when interacting with minors.
- Staff members/faculty/volunteers will respect confidential information concerning minors or confidential information of a personal nature shared by a minor. However, if a minor shares confidential information that could pose a threat to the minor or to others, the staff member/faculty/volunteer has an obligation to notify the proper authorities.
- When staff members/faculty/volunteers are supervising minors or young adults at parish/parish school-sponsored activities, they may not be under the influence of alcohol, may not consume alcohol in the presence of persons under age 21, nor offer alcohol to them.
- When a staff member/faculty/volunteer is alone in a room with a minor, the door must be open or there must be clear visibility through windows.

- Staff members/faculty/volunteers are to engage in games or sports activities with minors only in the presence of other adults, or in a place openly accessible/visible to others.
- Staff members/faculty/volunteers planning parish/parish school events in their homes with minors must have the permission of the parish/school administration. In addition, staff members/faculty/volunteers may not have any minor in their homes without the knowledge of the minor's parent or guardian.
- Staff members/faculty/volunteers may not drive minors unless it is to or from a parish/parish school-sponsored activity and may never drive alone with a minor. Driving minors requires parental permission slips that indicate the transportation is by personal vehicle. The parish/parish school administration must approve any use of personal vehicles. Trips involving minors must have a sufficient number of adult chaperones and minors to preclude the appearance of inappropriate personal involvement with minors.
- Parent/guardian written permission is required for the publication of a picture of a minor.
- Adults are permitted to interact alone with minor(s) only after complying with Archdiocesan policies regarding fingerprinting and safe environment training. They may work with minors only as part of a team if they have not these requirements.
