NEW YORK STATE BLEEDING DISORDERS COALITION
R.E.A.D.Y. TEEN PROGRAM - MARCH 18-20

The New York State Bleeding Disorders Coalition has developed a program called Regional Education Advocacy Development for Youth. This program is for teens to learn the ins and outs of advocacy, and use these skills at the State level, at Albany days.

We had a total of 13 teens attend the R.E.A.D.Y. program. The program included: • Your Voice Has Weight • Speaking The Language • You Got This, The Art of Speaking Up • Failure IS AN Option • Legislation Translation.

They were READY to escape the Great Escape Room

Teens with Assemblyman John McDonald

ALBANY DAYS - MARCH 19-20

Our goals were to officially recognize March as Bleeding Disorders Awareness Month in New York State. Also, we were asking support of S.3484 / A.4786 bills which protects patient access to their medications through a local or mail order pharmacy, based on which best meets the patients individual care needs.

It was a great opportunity to have the community voice heard, to work together with other families and learn the key issues affecting the bleeding disorders community.

Some of our advocates

The official Proclamation recognizing March Bleeding Awareness Disorders Month in New York State

The Hemophilia Association of New York
is celebrating 65 years of service to
the Bleeding Disorder Community
on Sunday, October 1st, 2017

Join us for a Yankee vs. Toronto Blue Jays Game
plus Gourmet food at a Private Luxury Suite
Individual tickets will be available for purchase after July 2017
The children built robots and analyzed their structures. They were able to compare their own body systems with those of their robots. This helped them to understand how their bleeding disorder affects them.

Thanks to everyone who attended!
HANY's Resource Center

MISSION STATEMENT

The mission of the Hemophilia Association of New York is to provide information, education, advocacy and direct assistance to and on behalf of people with bleeding disorders, and to encourage and support scientific research to improve medical treatments and develop cures for hemophilia and related disorders.

About this Newsletter
The Hemophilia Outlook has been around since 1952. It's produced quarterly and distributed to all the members of the bleeding disorder community.

We have an electronic version in our website. If you prefer not to receive a copy please let us know.

HANY does not release any personal information without your consent.
